The following are the Certified Nursing Assistant Application Dates when application is accepted and deadlines for submission of all required material for

2013-2014

It is your responsibility to follow the listed timelines if you want to be considered for admission into HEA 100. Failure to do so will result in immediately being disqualified from admission in the term in which you are trying to apply. You would be welcome to apply for admission during the next offered session, if you wish to try again.
