Klamath Community College

Annual Campus Clery Security Report

Reporting Statistics for Calendar Year

2013

In accordance with the "Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act", the following is the annual Klamath Community College "Campus Security Report" for the year of 2013. The information contained within is provided to the faculty, staff and students in an effort to assist them with their personal safety.

Campus Safety

It is the highest priority for Campus Safety to continue to keep the Klamath Community College (KCC) campus a safe environment. Our primary responsibility is protecting the safety and physical security of our campus community members. KCC currently employs one full time "Campus Safety Specialist" and "Evening Campus Liaisons". All Safety personnel are certified through the State of Oregon and possess the appropriate" Unarmed Professional" certificates from the Oregon Department of Public Safety Standards and Training. The campus has an agreement with Klamath County Sheriff's Office to respond and investigate all crimes on the campus. The Campus Safety Specialist has developed a working relationship with the Klamath County Sheriff's Office in the training and prevention of crime. The Campus Safety Department does not have the authority to arrest, other than a citizen's arrest.

How to Report a Crime

We highly encourage anyone witnessing a crime or suspicious circumstances to report it to the Campus Safety Specialist immediately. If the crime is **serious** call "911" first, then contact Campus Safety. Campus Safety will call the Klamath County Sheriff's Office in the

event of any emergency. The Campus Safety Specialist will create an incident report for incidents that occur on campus and will encourage the reporting person to call the Klamath County Sheriff's Office for criminal incidents. Campus Safety can be contacted at 541-880-2314 or 541-274-1435. The front desk of KCC can also be reached on any campus phone by dialing "0". The Campus Safety office is located in Building 6. KCC does not have a confidential reporting policy at this time.

Evening Campus Liaisons can be contacted at 541-891-0278. In addition, the Klamath County Sheriff's Office can be contacted at 541- 883-5130. If you have confidential information that you would like to share, please contact Campus Safety through email at safety@klamathcc.edu.

The campus also has a blue light emergency communication system in campus parking lots 5 & 6. These are equipped with an emergency push button triggering an immediate call to 911 from that location.

Emergency Response Plan

Klamath Community College has an "Emergency Management Response Team" with a model of an Incident Command System plan developed by F.E.M.A. A majority of the team has completed the F.E.M.A. ICS-100 course material.

Emergency Notification

Any emergency on campus will be verified by visual inspection by the Campus Safety Specialist, Facilities Director, KCC Administrative staff, or by contacting the local emergency services.

In the event that an extreme urgent emergency occurs on campus, the Campus Safety Specialist or the Facilities Director will issue an **Emergency Notification** to all campus community members (faculty, staff, and students) immediately.

In a lesser emergency, KCC Administration will be consulted prior to the notification process.

In the event that a situation arises that constitutes an ongoing or continual threat to our campus community members, a campus wide "**timely warning"** will be issued. KCC has several methods of an emergency notification. They are as follows;

1. E2campus mass notification system with a multitude of methods.
2. Email notification.

3. Texting for those who have voluntarily signed up.
4. Digital sign notifications in building 4 and building 6.
5. Facebook, Google+, Twitter, YouTube and GI Jobs.
6. In the event of activated fire alarms, students and staff will evacuate the buildings and assemble at the Evacuation Assembly areas. The Evacuation Assembly areas are listed on the KCC website under Campus Safety.
7. Maps of the fire evacuation routes and locations of the Evacuation Assembly areas are posted in the hallways of each building.

Sex Offenses Policy Statement

A review of the KCC "Sex Offenses Policy Statement "can be reviewed at https://www.klamathcc.edu/SOPS.

Sex Offenses

KCC and the Student Government offer educational programs to the student community about sexual assaults and date rape utilizing local experts. To receive information on the programs or handout information, contact Kristy English at 541-880-2321.

If you are a victim of a sexual assault, your first priority should be to get to a place of safety. Call the Klamath County Sheriff's Office (911) or the Klamath Crisis Center at 541-883-RAPE (7273). KCC strongly encourages victims of sexual assault to report the incident in a timely manner. Time is a critical factor for evidence collection and preservation.

If the student requests the assistance of the KCC personnel, KCC personnel will assist the student in notifying the authorities. KCC personnel will refer the student to several local agencies for services of victims of sex offenses and mental health services.

New Reporting and Compliance Requirements Violence against Women Act (VAWA)

VAWA's SaVE Act provision imposes new reporting requirements, effective beginning the 2014 Reporting Year.

The Clery Act requires annual reporting of statistics for various criminal offenses, including forcible and non-forcible sex offenses and aggravated assault. VAWA's SaVE Act provision adds domestic violence, dating violence, and stalking to the categories that, if the incident

was reported to a campus security authority or local police agency, must be reported under Clery.

Described for clarity, these offenses are defined as;

- "Domestic violence" includes asserted violent misdemeanor and felony offenses committed by the victim's current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.

- "Dating violence" means violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.

- "Stalking" means a course of conduct directed at a specific person that would cause a reasonable person to fear for her, his, or other's safety, or to suffer substantial emotional distress.

The KCC policy of Violence against Women Act can be found at https://www.klamathcc.edu/VAWA.

Sexual Offenders

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, KCC refers all inquiries for local sexual offenders to http://sexoffenders.oregon.gov/ . If any sexual offenses occur on campus, please notify Campus Safety at 541-880-2314 or KCC Administration at 541-882-3521 immediately.

Sexual Harassment

KCC College Board policy 750.0180 is committed to maintaining a learning environment that is free of sexual harassment.

Sexual harassment includes any unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature made by a member of the staff to a student, a student to another student or by a student to a member of the staff.

Any student or employee who is subject to, or knows of, sexual harassment should immediately notify Brenda Lipe, Director of Human Recourses at 541-880-2265 and or Tammi Garlock, Title IX Coordinator at 541-880-2257.

Alcohol and Drug Awareness

KCC maintains a campus free of alcohol and drugs and promotes a healthy and safe environment for its students. The Drug and Alcohol policy and procedures can be reviewed on page 41 of the Student Handbook.

Information regarding alcohol and drug treatment and educational programs are available through the KCC Student Services Office at 541-880-2221.

Access to the KCC Campus

Aside from normal business hours, KCC will remain open until classes have concluded. Building 6 will remain open until 10pm on class days and 8am to 5pm on Saturdays during the quarterly terms for student access. The Custodial staff have received the "Unarmed Security Professional" training through the Department of Public Safety Standards and Training of Oregon. KCC also employs Evening Liaison Officers that are certified by the State of Oregon.

Crime Prevention

KCC has offered "Campus Safety Tips" to help students keep a safe environment on campus. These tips can be reviewed on the KCC campus web site under "Campus Safety" (please click here for a direct link) and in the Student Handbook on page 48. We do not presently have an on-campus crime prevention class. We suggest that you can find these programs through the Klamath County Sheriff's Office at 541-883-5130 or the City of Klamath Falls Police Department at (541) 883-5336.

Crime Statistics

The crime statistics are collected by the Campus Safety Department throughout the year and posted in a monthly Clery Report. In addition, the Klamath County Sheriff is contracted to inquire about any crimes that have been committed on the campus or near the campus property. The Clery Report is prepared annually by the Campus Safety Specialist.

Clery Report Statistics

Listed below are the crimes that are required to be reported to the United States Department of Education for the calendar years of 2011, 2012, and 2013. KCC has met the requirements and submitted this report to the United States Department of Education within the legal requirements of the Clery Report. The Clery Report can be reviewed on the KCC Safety web site or at the KCC Campus Safety Office. For printed copies call (541) 880-2314.
