# Aviation Program Information & Application Packet

[www.klamathcc.edu](http://www.klamathcc.edu)

It shall be the policy of the Klamath Community College District to affirm the rights of all individuals to equal education, activities, facilities, and employment without regard to age, sex, disability, national origin, race, marital status, religion, or sexual orientation in accordance with federal and state laws. Klamath Community College complies with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990, and any amendments thereto.

Inquiries or grievances concerning the application of these laws and regulations to the College may be directed to the Klamath Community College's Executive Director of Legal and Human Resources at 7390 South 6th St., Klamath Falls, OR 97603 or at 541-882-3521 or to the Director, Office of Civil Rights, U.S. Department of Education, Washington D.C. 20201

## General Information

Thank you for your interest in Klamath Community College's Aviation program in partnership with Pureflight Aviation. We offer an Associate Degree in Aviation Science. Airplane student progression example [here](#). Helicopter student progression example [here](#).

## Aviation Application Overview

Enrollment in the Aviation program is limited. You must apply and be selected for admission. To be considered for admission, you must meet the admission requirements. If you do not meet the stated requirements, your application will be withdrawn from consideration.

## Point System

Acceptance into the Aviation program is determined by a weighted point system based on the 5 categories listed below.

- Aviation Program Requirements/KCC Application
- Math Placement
- Writing Placement
- Resume
- Essay

## Aviation Program Admission Requirements

Aviation program enrollment is limited. Acceptance into the Aviation program is determined by using a weighted point system (14 points) from a pool of qualified applicants. A student must meet the minimum requirements to be considered for admission. If the minimum requirements have been met, the students' application will be evaluated and awarded points in a competitive process. The top-ranking individuals will be admitted to the program. Remaining qualified candidates are placed on a ranked alternate list.

## Minimum Evaluation Requirements

If we have met our maximum number of students for the quarter, then you may be placed on a waiting list and/or placed on the next term start date.

Please leave this portion blank as this is completed by KCC and Pureflight Aviation staff. This is for your viewing only.

- ☐ Step 1: Completion of KCC Aviation Program Requirements including KCC application; (1-2 points)
  - 2 points if completed greater than 30 days before the program start date
  - 1 point if completed less than 30 days before the program start date
- ☐ Step 2: Math and Writing Placement Tests - You will need 2 placement tests, Writing and Math, if you do not have prior college transcripts with these classes. You will need your KCC Student ID to take the tests.
  - Math (1-3 points)
    - 3 Points for placement into Math 111 or higher
    - 2 Points for placement into Math 095 or 105
    - 1 point for placement into Math 070 or lower
  - Writing (1-3 points)
    - 3 points for a writing score 255 to 300
    - 2 points for a writing score 235 to 254

- 1 point for a writing score under 235

Please complete this portion below.

☐ Step 3: Resume (1-3 points)

- Please attach a 1-page (max) cover letter and a 2-page (max) resume. Please note that we are not evaluating how much you have done, but instead, how/what you have done. Even if your resume does not have much to it, we want to know your level of attention to detail for the completion of a resume.
  - This will be evaluated by KCC and Pureflight Aviation staff

☐ Step 4: Essay (1-3 points)

- As part of your application to the aviation program, please submit a short essay (approximately 500 words) that helps us get to know you and evaluate your readiness for success in training. Your essay must address the following topics:
  - **Who you are:** Tell us about yourself. Share relevant personal background, interests, or experiences that shape who you are.
  - **Your aviation goals:** What are your short-term and long-term goals in aviation?
  - **Why this program?** Why do you want to be part of this aviation program? What motivates you, and why do you believe this is the right fit?
  - **Time management:** How do you plan to manage your time and stay organized while balancing flight training, ground school, studying, and your personal life?
    - Please ensure your essay:
      - Is written in your own words and reflects your personality, values, and goals.
      - Is clear, well-structured, and stays focused on the required topics.
      - Is free from major grammar or spelling issues.
        - This will be evaluated by KCC and Pureflight Aviation staff
