Klamath Community College District Budget Message Fiscal Year 2026-27

Introduction

The Board of Education, Citizens, Taxpayers, and Students of Klamath Community College District:

Welcome to the budget development process for fiscal year 2026-27 for the Klamath Community College District. As required by Oregon Revised Statutes 294.305 to 294.565 and Klamath Community College Board Policies Fiscal Affairs and Budgeting and Planning, the proposed budget estimates are hereby submitted for your approval.

We believe that this Budget Message, the proposed FY 2026-27 Budget, other supporting materials and information, and the Budget Committee Meetings will assist you in understanding the College's financial plans for meeting its Mission and Strategic Plans.

Klamath Community College's Mission Statement

As adopted by the Klamath Community College District Board of Education, our Klamath Community College Mission Statement is:

Klamath Community College provides accessible, quality education and services in response to the diverse needs of the student, business, and community.

The College supports student success in workforce training, academic transfer, foundational skills development, and community education.

Strategic Plan Initiatives and Major Accomplishments

Deriving from the College Mission, the Strategic Plan identifies Strategic Initiatives that guide the College's departments for three years (2023-2026). Each of the following initiatives involve multi-year planning, activities, assessments, and actions.

1. Student Success – KCC will adapt or develop services, practices, and technologies to provide an inclusive, engaging, and supportive college experience to promote student success and completion.
2. Future-focused education and services – KCC will offer a portfolio of adaptive, innovative, and accessible education and training programs.
3. Organizational viability – KCC will adapt or develop sustainable plans, services, practices and technologies to provide a secure, desirable, and inclusive working environment.
4. Community engagement – KCC will improve and align its plans, communications and collaborative partnerships that advance community engagement, economic improvement, and workforce development.
5. Advanced planning and strategy – Recognizing that our students will be the flexible and mobile workforce of the future, KCC will adapt its planning and data analysis to be responsive to regional, national, and global changes.

Institutional Progress and Strategic Investment

Klamath Community College continues to make meaningful progress toward advancing student success, strengthening workforce alignment, and ensuring long-term institutional viability. Despite ongoing fiscal and funding challenges, the College has achieved significant milestones that support enrollment growth, expand academic pathways, and reinforce KCC's role as a responsive and innovative community partner.

Student Success and Academic Expansion

The College is expanding access to high-demand, career-focused education through several major initiatives. KCC

will welcome its inaugural cohort of Bachelor of Science in Nursing (BSN) students in Fall 2026, creating a critical local pathway into healthcare careers and addressing regional workforce shortages. In addition, the Bachelor of Applied Science in Business Management with a Salon Emphasis has been submitted to the Northwest Commission on Colleges and Universities for review, with an anticipated launch also planned for Fall 2026.

To ensure graduates are prepared for emerging workforce demands, the College adopted a new Institutional Learning Outcome focused on Artificial Intelligence (AI) Literacy. Beginning in the 2026–2027 academic year, all graduates will demonstrate the ability to ethically and effectively apply AI technologies across academic and professional contexts. Student engagement and campus life also continued to grow, with the Men’s Soccer program completing its first season in the NWAC Conference and the launch of a new Women’s Soccer team.

Future-Focused Education and Services

In support of its AI-Ready Campus initiative, KCC substantially invested in instructional capacity and infrastructure by hiring a full-time, nine-month AI Program Lead faculty member, two AI adjunct faculty, and two AI Coordinators. These positions provide direct support to faculty, staff, and students while also serving as a resource for the broader community through training, tools, and outreach related to artificial intelligence.

The College also strengthened its global presence by welcoming international students from multiple countries, including France and Peru, enhancing the academic experience and promoting cross-cultural learning. Complementing these efforts, the Global Language and Learning department offers advanced English as a Second Language coursework through both online and on-campus delivery, expanding access and supporting international and local learners.

Organizational Viability and Workforce Alignment

KCC advanced organizational sustainability by establishing a new partnership with Kingsley Field, directly aligning base-building workforce needs with instructional targets in the College’s welding program. This collaboration strengthens enrollment pipelines, supports regional employers, and ensures program relevance in high-demand skilled trades.

Community Engagement and Regional Support

The College’s commitment to service and community engagement remains strong. KCC was recognized as a Veteran-Friendly Employer, and President Gutierrez received honors for leadership and sustained support of military personnel and their families. KCC hosted the Global Engagement Forum, further reinforcing the College’s role as a convener for dialogue, collaboration, and global awareness.

In response to regional economic challenges, KCC provided workforce assistance and transition support to millworkers displaced by the Jeld-Wen facility closure. These efforts underscore the College’s mission to serve as a stabilizing force and workforce partner during periods of economic disruption.

Advanced Planning and Strategic Investment

Completion of the Facilities Master Plan established a data-informed framework to guide campus development over the next five to ten years. The plan includes comprehensive classroom and laboratory utilization analysis, along with an office space utilization study, ensuring that facilities are used efficiently and aligned with instructional, workforce, and administrative priorities.

Capital investment in student support infrastructure also advanced. Construction of the Childcare Learning Center began in December 2025, expanding access to critical services that remove barriers to enrollment, retention, and student success. In addition, plans for the new Cosmetology Center have been completed and submitted, positioning the College to expand instructional capacity and support enrollment growth, with construction targeted to begin by June 2026.

Explanation of the Budget Document

The budget document contains the actual revenues and expenditures for fiscal years 2023-24 and 2024-25; the

budgeted revenues and expenditures for the current year's adopted budget, fiscal year 2025-26, including supplemental and other budget adjustments, and the proposed budget for fiscal year 2026-27. The budget document also includes charts and graphs to assist the reader in obtaining a comprehensive understanding of the financial categories that support the operations of the College.

The total budget of Klamath Community College District for 2026-27 is proposed at \$104,940,934. The 2026-27 overall budget increased by approximately 7.52% when compared to the 2025-26 budget. The Childcare Learning Center and Cosmetology Building capital project account for the majority of the increase.

Overview of Budget Process

Budget preparation began in January, 2026 with a "kick-off" email for our KCC budget development process. Our efforts have centered on continuing community college best-practices of budgeting, with the collaborative nature of the KCC budget process as a cornerstone. We proceeded to train college faculty and staff managers on the process that we introduced several years ago. This process includes budget review presentation sessions with the respective cost center manager, College President, Vice President of Administrative Service/Chief Financial Officer, and Vice President or Executive Director of the respective area.

The goal of this inclusive, college-wide process is to ensure each cost center's budget request tie directly to the College's strategic plan. This allows for accountability and ensures that investments made in prior years meet the intended goals. Ten years ago, as a college, we decided to work on investing strongly while facing stiff enrollment declines. After these investments, we were able to work on innovation and efficiency, as our investments began paying off with increasing enrollment. We continue to leverage our capabilities and resources and carefully manage our college's finances.

Draft budget worksheets and budget review session documents (accomplishments, goals and objectives, challenges, and enrollment forecasts) were completed by all faculty and staff managers, estimating their needs based on their priorities for program improvement and increasing enrollment, retention and completion.

Budget review sessions followed, allowing college leadership to understand more clearly the priorities, opportunities, and challenges of each department. Projected revenues and forecast expenditures were included in this review. Additionally, for each academic program, a Cost Margin Analysis (CMA) detailed the revenue received for the tuition of the program, as well as the costs associated with the program. The CMA is intended to assist in determining the sustainability of each program.

After these review sessions were complete, the President met with Cabinet members to determine absolute top priorities. Through multiple review sessions, a strong budget was developed which met the objectives of maintaining strong educational programs and quality services, as well as improving student success through increased retention and completion, while carefully managing our bottom-line. A summary of the proposed budget document was approved by the President for submission to the Budget Committee.

The Budget Committee meets to receive the budget message and the proposed budget, solicit responses from the public, and approve the amount or rate of tax that the College will impose on the District.

Once the Budget Committee is satisfied with the proposed budget, including any amendments, it is approved and forwarded to the Klamath Community College Board of Education. The Board of Education then holds a public hearing to receive testimony from citizens regarding the budget approved by the Budget Committee. Prior to June 30th, the Board adopts the budget, makes appropriations, declares the tax levy, and categorizes the tax levy. Adoption of the budget is currently scheduled for May 26, 2026.

Significant Changes in Budget

- A. State Aid - State aid is a large portion of our budget. The Oregon Legislature proposed an appropriation of \$854M to be distributed amongst all community colleges based on Full-Time Enrollment (FTE), student support and student success factors.
- B. The proposed budget includes the addition of the Childcare Learning Center and the Cosmetology Center which will be funded by various Federal, State and Local Grants and a capital campaign by the Klamath Community College Foundation.

- C. The proposed budget has a positive ending fund balance. The goal with this is to continue to allow for efforts toward allowing for strong cash flow, healthy reserves, investment in efforts to grow enrollment.

General Fund - Revenue Sources

A. Federal Sources

The General Fund does not receive direct Federal revenues. However, we receive Federal financial aid and grants which are recorded in our Special Revenue Funds to support students and the Institution.

B. State Sources

State revenues comprise approximately 60% of the General Fund’s budgeted resources. State funding for Oregon’s 17 community colleges for the last few biennia is as follows:

Fiscal Years 2011-13	\$390,095,286
Fiscal Years 2013-15	\$468,866,776
Fiscal Years 2015-17	\$550,000,000
Fiscal Years 2017-19	\$570,300,000
Fiscal Years 2019-21	\$641,386,996
Fiscal Years 2021-23	\$695,814,935
Fiscal Years 2023-25	\$795,605,543
Fiscal Years 2025-27	\$854,254,344 (forecasted)

The history of direct State Aid funding, along with the projection for the next biennium to KCC, is as follows:

2011-13 Biennium	\$ 7,830,452
2013-15 Biennium	\$ 9,601,896
2015-17 Biennium	\$11,895,024
2017-19 Biennium	\$15,410,133
2019-21 Biennium	\$19,960,150
2021-23 Biennium	\$27,356,429
2023-25 Biennium	\$35,727,142
2025-27 Biennium	\$37,264,203 (Forecasted)

C. Local Sources

Current and delinquent property taxes are incorporated into the category of Local Sources revenue. The permanent tax rate for Klamath Community College District is \$0.4117/\$1,000. The collection rate is assumed to be 93 percent, an average collection rate over the past five years by the Klamath County Tax Assessor, resulting in estimated collectible current property taxes of \$3,068,095.

Local Sources comprise approximately 10% percent of the resources for the College’s General Fund.

D. Tuition

After much thoughtful planning and discussion, this upcoming fiscal year (2026-27), a 4% tuition increase was approved:

1. Lecture courses: \$120.50 (\$125.50) per credit hour
2. Lecture / lab combined courses: \$173.50 (\$180.50) per credit hour
3. Lab courses: \$252 (\$262) per credit hour

E. Fees

Other General Fund fees associated with enrollment at the College are the following:

1. Student I.D. - \$5.00 per term
2. Facility Fee - \$9.00 per credit
3. Technology Fee - \$9.00 per credit

4. Distance Education Fee - \$22.00 per credit

The College established Student Course Fee cost centers to fund course fees paid by students. The proceeds of the Course Fees are intended to be used to purchase supplies, services and small equipment directly associated with these courses.

Tuition and Fees are estimated to provide 24% of all General Fund resources.

F. Interest Income

Klamath Community College District currently invests all surplus funds in the Oregon State Treasury - Local Government Investment Pool (LGIP) in accordance with Board Policy, Section 6320. All state aid dollars are wired directly to the LGIP, thereby providing faster accessibility and maximizing interest income. Interest on taxes is also included in this category.

At \$894,000, interest income is anticipated to contribute approximately 3% of the General Fund revenues.

G. Other Revenue/Transfers

Miscellaneous Revenue, Cash Over/Short, and Transfers-In comprise this category. Examples of Miscellaneous Revenue include non-sufficient funds (NSF) fees and vending machine revenue.

Transfers In – Indirect Cost Revenue includes the Administrative Cost Allowance from various grants and Financial Aid.

Transfers-In – General Fund are dollars transferred from other funds that are authorized to be transferred to the General Fund.

Other Revenue constitutes approximately 2% of the total General Fund budget.

H. Funds Carried Forward

The beginning fund balance (Carry Forward) for Fiscal Year 2026-27 is projected at approximately \$16,247,484.

Budgeted Ending Unappropriated Fund Balance for the year ending June 30, 2027 is \$6,833,960 with an additional \$5,000,000 contingency.

General Fund - Expenditure Highlights

The General Fund integrates all customary community college activities that are not restricted by the source of funding. These cost centers can be grouped together according to the following categories: Instruction, Instructional Support, Student Services, College Support, Plant Operations, Financial Aid, Contingency, and Transfers.

A. Instruction

Instruction includes all cost centers that provide course instruction to the students. The total budget for instruction is \$12,169,365. The proposed budget will fund 35, 9-month faculty members, and 7, 12-month faculty. Budget is also in support of KCET, which provides Adult Basic Education, General Education Diploma, and English as a Second Language. In addition to faculty costs, a significant portion of the expenditures in this category are for the support of the contract with Klamath Falls City Schools, County Schools and high school credit recovery.

Instruction costs account for 35% of the General Fund's current expenditures.

B. Instructional Support

This category of Instructional Support incorporates the cost centers that support instructional activities: Academic Administration, the Learning Resources Center, and Staff Development - Instructional. The Vice President of Academic Affairs, three academic deans, two coordinators and three support staff positions are included in Academic Administration.

The College invests approximately \$50,000, or 0.14% of the General Fund budget, for Instructional Staff Development. These funds provide educational training opportunities to ensure that KCC's faculty remain current on the latest educational trends in their field of expertise. The Learning Resources Center (LRC) provides an area for students to 1) study; 2) receive assistance from tutors; 3) access the internet for research; and 4) review current library materials.

Instructional Support expense is budgeted at 12% of the General Fund.

C. Student Affairs

The Vice President of Student Affairs oversees the various activities within the Student Affairs cost centers. The Vice President oversees the Director of Retention and Student Success and the Student Success Advisors who provide services to support students by furnishing admission information, accessibility services, advising, and enrollment services. The Registrar is responsible for student records and graduation requirements. Student Affairs cost centers provide vital supports to students in the Student Life, First Year Experience, Veterans Services, Financial Aid, and the Community Resource Benefits Navigator cost centers. A Support Specialist (Receptionist) answers the College's multi-line telephone system and directs students and visitors to appropriate locations.

The expenditures for Student Services activities are estimated to be 14% of the General Fund.

D. College Support

The administrative cost centers inherent in supporting the operations of a college are located in this category. College Support is comprised of the Governing Board, President's Office, Administrative Services, Business Office, Institutional Research/ Assessment/Resource Development, Human Resources, Marketing, Staff Development for Non-Instructional Staff, Security, Information Services, District, and Communications.

College Support comprises 24% percent of the General Fund's budget.

E. Plant Operations

Plant Operations accounts for the maintenance and operation of College facilities. The expense for the campus facilities, utilities, janitorial, repairs, and other similar costs are housed in this category.

This department is accountable to the Vice President of Administrative Services and CFO, and accounts for 6% of the General Fund Budget.

F. Financial Aid - General Fund

The Director of Financial Aid, Assistant Director and two Financial Aid Representatives process and monitor Federal Financial Aid for students and works under the auspices of the Vice President of Student Affairs.

This cost center is budgeted in the General Fund at 1%.

G. Contingency and Unappropriated Ending Fund Balance

Local governments may incur expenditures not anticipated during the budget process. Contingency is budgeted in the amount of \$5,000,000 or 12% of the General Fund's budget. ***Only by Board resolution may the Board of Education transfer these funds to an existing appropriation.***

An Unappropriated Fund Balance is proposed at \$6,833,960. An Unappropriated Fund Balance provides the College with funds which are to be used to begin the following fiscal year. No appropriations may be made from an Unappropriated Fund Balance, once the budget has been adopted. The Government Finance Officers Association recommends, at a minimum, that general purpose governments, regardless of size, maintain unreserved fund balances in their general fund of no less than 5 to 15 percent of regular general fund operating revenues.

The General Fund and the Reserve account balances provide the College with 130 days of operating cash at this upcoming budget year's rate of expenditure.

College Priorities, Issues, and Challenges

The College will begin its 31th year of operation effective July 1, 2026. Since its inception, the College has made tremendous progress. This includes gaining accreditation, the purchase and development of the campus, implementation of new academic programs, and other significant achievements as mentioned in the Strategic Plan Initiatives and Accomplishments identified above.

The following table reflects the vast desire for post-secondary education that the College has filled:

Fiscal Year	Headcount	Reimbursed Full Time Enrollment (FTE)	% Increase or Decrease
2012 - 2013	4,799	1,636	-17.50%
2013 - 2014	4,708	1,672	2.20%
2014 - 2015	5,609	1,687	0.90%
2015 - 2016	5,927	1,882	11.50%
2016 - 2017	6,120	1,821	-3.20%
2017 - 2018	6,229	1,819	0.00%
2018 – 2019	5,909	1,839	1.09%
2019 - 2020	5,948	1,953	6.20%
2020 - 2021	4,352	1,993	2.67%
2021 - 2022	5,030	1,815	-8.78%

2025-2026*	6,553	2,330	0.00%

*Projected

While headcount and Full-Time Enrollment (FTE) figures for fiscal year 2025–26 remain estimates at this time, the projected ending FTE of approximately 2,330 is preliminary and may change as final enrollment data becomes available.

All full-time employees and those employees who work 600+ hours in any one calendar year participate in the Public Employees Retirement System (PERS). The College contributes the required 6 percent of eligible employees' gross salary in addition to the College's pre-defined percentage established by PERS according to retirement rates, etc. The following portrays the College's PERS rates since its inception:

<u>Fiscal Year</u>	<u>Rate</u>	<u>OPSRP Rate</u>
1997-99	8.20%	
1999-2000	9.73	
2001-03	9.49	
2003-05	10.42	(eff: 8/29/03) 8.04
2005-07	15.73	12.38
2007-08	15.00	17.47
2008-09	13.88	16.35
2009-11	10.89	11.53
2011-13	15.32	13.66
2013-15	15.77	13.87
2015-17	19.49	13.94
2017-19	23.40	16.82
2019-21	27.46	21.37
2021-23	27.02	23.33
2023-25	27.61	24.42
2025-27	27.92	25.31

Acknowledgments

I would like to thank the College's faculty and staff for their many hours of work in preparing their budgets and participating so strongly in our KCC budget development process.

I would like to thank KCC President Dr. Gutierrez for his vision, his passion for serving the Community of Klamath Falls and surrounding neighbors, and his courage to invest in new programs and key personnel in the face of a difficult economy. Our College President's leadership skills have kept everyone focused on establishing priorities that will serve the College and the Klamath Community for years to come.

I would also like to extend special thanks to Assistant Controller Nicole Baker, Administrative Assistant Melanie Marcott, Director of Business Services/Controller Tonia Miller, and the dedicated staff of the Business Office for their attention to important details, their continuous encouragement and ability to pull everyone together on this project. Without these very important people, this budget, with its current, collaborative foundation, scope, and detail, simply could not have been prepared.

Respectfully submitted,

Denise Reid
Vice President of Administrative Services/CFO

NOTICE OF BUDGET HEARING

A public meeting of the Klamath Community College District will be held on May 26, 2026 at 6:00 pm at 7390 S. 6th Street, Founders Hall Boardroom, Klamath Falls, Oregon. The purpose of this meeting is to discuss the budget for the fiscal year beginning July 1, 2026 as approved by the Klamath Community College District Budget Committee. A summary of the budget is presented below. A copy of the budget may be inspected or obtained at or obtained at 7390 S. 6h Street, in the Administrative Services Offices, Building 3 between the hours of 8:00 a.m. and 5:00 p.m., or online at www.klamathcc.edu. This Budget is for an annual budget period. This budget was prepared on a basis of accounting that is the same as the basis of accounting used during the preceding year.

The Communication (Writing) budget provides funding for four nine-month faculty and adjunct instructors as needed, depending on classroom size. The Department's most current Cost Margin Analysis is negative. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy. Additional Adjunct funds are needed because of an increase enrollment and Common Course numbering work.

The Social Sciences Department funds two nine-month faculty and adjunct faculty as needed based on enrollment. The Department's most current Cost Margin Analysis and reimbursable FTE are positive. The online courses in this discipline have grown significantly, providing quality, accessible education that is available to all students. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy. Increased adjunct funds needed for increased enrollment.

The Klamath Center for Education & Training (K-CET) GED/ESL Department Budget provides funding for administration (full and part-time staff) and supplies to support the College's Adult Learning Programs. The Department has steadily gained in total numbers of students served and GED completions each year of operation. This success has further opened opportunities for underserved adults to transition to academic programming at KCC. Educational attainment helps drive personal and community prosperity. This cost center supports the Strategic Plan Initiatives of Student Success, Future-focused education and services, and Community engagement.

The Learning Resources Center (LRC) budget funds the LRC Director, one full-time librarian and two full time tutors, part-time tutoring staff, and teaching assistants. Part time funds have been reduced due to improvements made with the implementation of more effective and efficient scheduling of staff. The LRC provides access to high-quality information, instruction, tutoring, and other resources to support the mission, goals and curriculum of Klamath Community College. The LRC is a member of a consortium of libraries in Oregon and Washington. This membership provides KCC students and instructors access to the collections of one hundred and eight academic, public and school libraries. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy.

The Center for Teaching and Learning (CTL) budget funds six full-time administrative staff (including two NEW AIT coordinators) and one full-time support staff. The AIT coordinators were added to initiate the college's AI Ready Campus work and support the development of training and resources for faculty, staff, and students. Additional funds were added to support the purchase of AI equipment, tools, and resources. The CTL is a physical center which assists with design and delivery of distance on-line, face to face, hybrid and hyflex courses. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy.

The Testing Center budget funds the Testing Center's one full-time administrative staff, and one full-time staff and part time support staff. Significant funding increases for the testing center support the over 200% increase in utilization of remote testing resources and redesign of placement tools for writing and math to align with the new co-requisite courses. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy. Computers need to be updated. Browser software needs to be updated.

137,166	362,348	435,570		Total Expenditures	329,170	329,170	329,170

The Career Technical Education Administration budget funds Materials & Services expenditures for Career Technical Associates of Applied Science Degrees and relieves necessity of line-item budgeting at the cost center level. Funds were moved from account 8000 to accommodate increased requests for equipment that cost less than \$5,000. Equipment funds for items over \$5,000 were significantly reduced. The proposed New CTE programming i.e. BAS, AIT etc will not require significant equipment purchases. The majority of the instruction will be taught on-line. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy. Supplies, materials, technology and equipment costs continue to increase.

The Student Advising budget funds salaries for the Director for Student Success and Retention, four Student Success Advisors and one full-time administrative staff. This department is essential to the success of students. Their basic role is to meet with students to complete onboarding and registration, improve retention and completion (especially with first-year students), and support new student registration. This cost center supports the Strategic Plan Initiatives of Access and Excellence and the Core Theme “Support Student Success”.

The Registrar's budget funds salaries for two full-time Administrative Staff. The Registrar is responsible for maintaining the integrity of transcripts, academic policies, and student records to ensure each student's successful progression toward certificate and degree-goal attainment. The office also manages critical processes such as course registration, graduation petitions, and degree audits. These services are essential for supporting academic continuity and timely completion.

The Veterans Services Department budget provides funding for one full-time Administrative staff and one full-time support staff. Klamath Community College has been selected as Military Friendly for 14 years. This year top 10 spouse school and 3rd in the nation. In addition to those articulations, we serve AF students from numerous bases across the US. This cost center supports the Strategic Plan Initiatives of Prosperity, Access, and Community, and the Core Theme, "Support Student Success."

The International Program supports both enrollment growth and student success through a dual model of in-person (F-1) and online international students. The Director oversees federal compliance (SEVP), leads international recruitment and marketing efforts, and develops partnerships and program opportunities (e.g., short-term and pathways). The role works cross-functionally to build systems that support enrollment, retention, and institutional revenue, while ensuring international students receive the advising, support, and engagement needed to successfully acclimate and persist.

The Student Life budget funds half of the wages for one full-time Student Life Coordinator, the other half is covered by ASKCC. This department improves student success by connecting and engaging students in their initial year at Klamath Community College. It also develops and manages on campus activities and events which enhance the students sense of membership in the campus community. The Core Theme Student Success is supported in this department. Strategic Initiatives of Improved Access and Reputation for Excellence are a focus for this area.

The Physical Plant account funds campus operations. This includes funding for the Director of Facilities, a Plant Maintenance Supervisor and his support staff of custodians and maintenance specialists. The account also funds campus utilities and systems. Repair, replacement, and new projects are supported thru this department. This cost center supports the Strategic Plan Initiatives of Excellence, Access, and Planning, and Core Themes, "Meets the needs of Student, Business, and Community," and "Support Student Success."

This fund accounts for the collection of technology fees from students to help offset the cost of maintaining current technologies and/or providing technology services for the public. Tuition from GED, ESL, and non-credit students also contributes \$9.00 per person, per section, for Technology Fees. The equipment line item will be used to upgrade classroom technology as well as provide computers for students to use both in study areas and computer labs. This fund supports all Core Themes.

The Special Projects budget accounts for the expenses of smaller grant-funded projects, allowing for the acceptance of smaller grants for specific purposes. Because these budgets are small they do not require Board approval. This cost center supports the Strategic Plan initiatives of Access, Excellence, Community and Prosperity and Core Themes, "Meets the needs of Student, Business, and Community", and "Support Student Success".

The SNAP Training & Employment Program (STEP) uses funding from the DHS Supplemental Nutritional Assistance Program (SNAP) 50/50 Grant to provide funding assist students who qualify as high need for essential living requirements such as tuition, food, housing, clothing, and other personal expenses. This grant is a 50/50 match between federal funds and institutional funds (generally from other grant funds). DHS SNAP 50/50 provides partial personnel support through the 50/50 match. This grant supports the Strategic Plan Initiatives of Student Success, Future-focused education and services, and Community engagement.

The TRiO Student Support Service program targets up to 140 of Klamath Community College's most vulnerable students (low income, disabled, and first generation who have a demonstrated academic need) and provides a variety of services to support and achieve success through regular academic advising, individualized and group study support, college success workshops, college transfer visits, enrichment opportunities, and degree completion success programs. This cost supports the Core Theme of Student Success. The Strategic Plan initiatives of Improved Reputation for Excellence and Improved Access are targeted for action. This cost center provides for the Grant Administrator, a Learning Advisor, an administrative assistant, and other part-time educational personnel in the form of peer mentors.

This project will contribute context-responsive strategies for adapting, implementing, and institutionalizing evidence-based practices that support STEM students' success in community colleges. Using these strategies, faculty, and staff can overcome institutional barriers that impede student success practices and procedures.

The Veteran Resource grant contributes funding for staffing, student outreach, equipment for the Veteran Resource Center and helps to support the Testing Center. The program provides articulations for OIT's Technology and Management degree and Eastern Oregon University's Business Administration and Psychology degrees as part of their Base to Bachelor's degree program and are hopeful for further expansion into additional degree programs. This cost center supports the Strategic Plan Initiatives of Excellence and Access, and Core Themes, "Provide accessible education and services" and "Support Student Success".

This fund allows the College to set aside funds in a “savings account” for operational purposes should there be a reduction in State Aid Payments. In past years, the State of Oregon has reduced its biennial appropriation to the community colleges due to economic downturns. Not only were the payments to community colleges reduced, the final payment for the biennium was postponed three months, creating cash flow issues for several colleges. This cost center supports the Strategic Plan Initiatives of Excellence and Planning, and Core Theme, “Support Student Success.”

The Small Business Development Center (SBDC) receives funding from multiple sources, including Federal, State, and local (College) match. Program income is also earned and expended to support the Center. These sources fund one full-time Director, one full-time Program Coordinator, hourly Business Advisors, and adjunct and contract instructors. The purpose of the SBDC is to provide confidential, no-cost advice and affordable training to Klamath and Lake County's small for-profit businesses, assisting pre-venture and existing entrepreneurs with ideation, access to capital, business plan and funding proposal development, retention, and creation of jobs.

The TRiO Student Support Service program targets up to 140 of Klamath Community College's most vulnerable students (low income, disabled, and first generation who have a demonstrated academic need) and provides a variety of services to support and achieve success through regular academic advising, individualized and group study support, college success workshops, college transfer visits, enrichment opportunities, and degree completion success programs. This cost supports the Core Theme of Student Success. The Strategic Plan initiatives of Improved Reputation for Excellence and Improved Access are targeted for action. This cost center provides for the Grant Administrator, a Learning Advisor, an administrative assistant, and other part-time educational personnel in the form of peer mentors.

GLOSSARY

**THIS PAGE LEFT
INTENTIONALLY BLANK**

Budget: Glossary of Terms

Accrual Basis Accounting: A system of accounting based on the accrual principal, under which revenue is recognized when earned, and expenses are recognized when incurred.

Ad Valorem Tax: A property tax computed as a percentage of the value of taxable property.

Administrative Contingency: General Fund contingency, consisting of approximately one percent of budgeted revenues, to be used at the discretion of the president and Executive Team.

Administrative Recovery: Revenue generated from college enterprise funds, grants and contracts to cover General Fund administrative and overhead costs.

Adopted Budget: The total spending level for the year, based on estimates, that has been set by the Board of Education

Appropriation: Based on the adopted budget, an authorization from the Board of Education to make expenditures and incur obligations for specific purposes. The appropriation is limited to a single fiscal year.

Approved Budget: The budget that has been approved by the Budget Committee and sent to the Board of Education for adoption.

Assessed Value: Valuation set on real estate or personal property by the Property Appraiser as a basis for levying taxes.

Balanced Budget: A budget whereby operating expenditures do not exceed resources. See Board Policy E.010.

Beginning Fund Balance: The amount remaining after accounting for the previous year's revenues less the previous year's expenditures.

Biennium: A two-year [budget] period.

Board Contingency: General Fund contingency, consisting of approximately one-half percent of budgeted revenues, to be used at the discretion of the Board of Education.

Board of Education: Committee of seven elected, unpaid citizens whose primary authority is to establish policies governing the operation of the college and to adopt the college budget.

Bond: A debt investment with which the investor loans money to an entity (company or government) that borrows the funds for a defined period of time at a specified interest rate.

Budget: A written report showing a comprehensive financial plan for one fiscal year.

Budget Committee: The fiscal planning board, consisting of the Board of Education plus an equal number of citizens at large from the College District.

Budget Message: An explanation of the budget and financial priorities, presented in writing by the Budget Officer as part of the budget document.

Budget Officer: Person appointed by the Board of Education to oversee the budget process.

Budget Transfer: Amounts moved from one fund to finance activities in another fund. They are shown as expenditures in the originating fund and revenues in the receiving fund.

Budget: Glossary of Terms

Capital Assets Replacement Plan: Revolving seven-year plan established by the Board of Education in FY2004 to schedule the replacement of capital assets, based upon the Capital Asset Acquisition Schedule.

Capital Expenditure: An expenditure for a single item with cost exceeding \$10,000 and an estimated useful life of three or more years.

Capital Outlay: An expenditure category that includes acquisition of land, buildings, improvements, machinery, and equipment.

Capital Projects Fund (IV): Budget fund used for the acquisition of land, new construction, major remodeling projects, and major equipment purchases.

Capital Reserve Fund: A separate fund within the Capital Projects Fund IV used for planned and unplanned maintenance, repair and replacement of capital and technological equipment.

Cash Basis: System of accounting under which revenues are accounted for only when received in cash, and expenditures are accounted for only when paid.

College Council: The college's main planning and policy body.

College District: The college's service area, which encompasses a 5,000 square mile area in Lane County and parts of Linn and Douglas County.

College Support Services: Expense function covering activities that support the ongoing operations of the college, excluding physical plant operations.

Community Services: Expense function covering non-instructional activities provided to external groups.

Consumer Price Index: A measure estimating the average price of consumer goods and services purchased by households.

Contingency: A budget account to provide for unanticipated occurrences, or funds to be held for future distribution.

Current Budget: In financial tables, the "Current Budget" is the current year adopted budget plus any additional supplemental budgets.

Debt Service: Expenditure category for repayment of principle and interest on bonds, interest-bearing warrants, and short-term loans.

Debt Service Fund (III): Budget fund for accounting for general long-term debt, principal, and interest.

Deferred Maintenance: The practice of postponing maintenance activities such as repairs on both real property (i.e. infrastructure) and personal property (i.e. machinery) in order to save costs, meet budget funding levels, or realign available budget monies.

Differential Pricing: Additional fees based on class clock hours for certain Professional/Technical courses.

Ending Fund Balance: The beginning fund balance plus current year revenues, less current year expenditures.

Budget: Glossary of Terms

Enterprise Fund (VI): Budget fund for activities that furnish goods or services to students, staff or the public, for which charges or fees are assessed that are directly related to the cost of the good or service provided.

Executive Team: The college's administrative leadership team, comprised of the president, vice presidents, chief officers, and executive deans.

Expenditure: An amount of money, cash or checks actually paid or obligated for payment due to the purchase of goods and services, the payment of salaries and benefits, and the payment of debt service.

Fees (Instructional): See Instructional Fees.

Fees (Non-Instructional): Revenue generated from assessing students for non-instructional expenses.

Financial Aid: Expense function for student loans, grants and stipends.

Financial Aid Fund (V): Budget fund used for the provision of grants, stipends, and other aid to enrolled students.

Fiscal Year (FY) (FYxxxx): The twelve-month financial period used by the college, which begins July 1 and ends June 30.

Full-Time Equivalent (FTE): The equivalent of a full-time employee or student. For example, two half-time employees equal one FTE employee.

Fund: A division in the budget segregating independent fiscal and accounting requirements.

Fund Balance: The excess of a fund's revenues over expenditures.

Fund Type: One of nine fund types: General, special revenue, debt service, capital projects, special assessment, enterprise, internal service, trust and agency, and reserve.

General Fund (I): The primary operating fund of the college, that includes activities directly related to the college's basic educational objectives.

Generally Accepted Accounting Principles (GAAP): A widely accepted set of rules, conventions, standards, and procedures for reporting financial information, as established by the Financial Accounting Standards Board.

Government Finance Officers Association (GFOA): The professional association of state/provincial and local finance officers in the United States and Canada.

Governmental Funds: Funds generally used to account for tax-supported activities. There are five different types of governmental funds. LCC's governmental funds include the General, Special Revenue, Debt Service, and Capital Projects Funds.

Grant: A donation or contribution in cash by one governmental unit to another unit which may be made to support a specified purpose or function, or general purpose.

Higher Education Price Index (HEPI): Inflation index designed specifically for higher education. A more accurate economic indicator for colleges and universities than the CPI.

Instruction: Expense function covering all activities related to instructional programs.

Budget: Glossary of Terms

Instructional Fees: Revenue generated by assessing students for course-related expenses.

Instructional Support: Expense function covering activities that provide integral support services to instructional programs.

Interest Income: Revenue generated from investment of operating capital in excess of daily requirements.

Interfund Transfer: An amount to be given as a resource to another fund in the budget.

Intergovernmental [Resource]: Total public resources that include State and Federal funds and local property taxes.

Internal Service Fund (II): Budget fund for functions that exist primarily to provide goods and services to other instructional and administrative units of the college.

Mandatory Adjustments: Adjustments for expenditures that are primarily beyond the control of the college, such as facilities leases, utilities, insurance premiums and maintenance contracts.

Materials and Services (M&S): An expenditure category that includes contractual and other services, materials, supplies, and other charges.

Modified Accrual Basis: Basis of accounting under which revenues are recorded when they become measurable and available. Expenditures are recorded when the liability is incurred, except for interest on general long-term obligations, which is recorded when due.

Non-Recurring Resources: Resources (revenues) that are not part of an annual revenue stream to include: fund balances, reserves, one-time grants and awards, and special allocations.

OAR: See Oregon Administrative Rules.

OPE: See Other Payroll Expenses.

ORS: See Oregon Revised Statutes.

Oregon Administrative Rules (OAR): A compilation of state agency rules and procedures.

Oregon Public Employees Retirement System (PERS): Retirement system provided by the State of Oregon for all public employees.

Oregon Revised Statutes (ORS): The codified laws of the State of Oregon. The ORS is published every two years to incorporate each legislative session's new laws.

Other Payroll Expenses (OPE): An expense classification that includes the costs of payroll taxes, PERS, medical insurance, and other fringe benefits and payroll-related items accruing to an employee.

Other Resources: Revenue generated from various activities such as finance charges, sale of equipment, enforcement fees and other nominal, one-time miscellaneous amounts.

PERS: see Oregon Public Employees Retirement System.

Personal Services: An expenditure category that includes salaries and wages and other payroll expenses (OPE).

Plant Operations and Maintenance: Expense function covering the operation and maintenance of the physical plant, including grounds, facilities, utilities and property insurance.

Budget: Glossary of Terms

Plant Additions: Expense function for land, land improvement, buildings, and major remodeling and renovation that is not a part of normal plant operation and maintenance.

Proposed Budget: Financial and operating plan prepared by the Budget Officer, submitted to the public and Budget Committee for review.

Resolution: An order of the Board of Education.

Resources: Estimated beginning fund balances on hand plus all anticipated revenues and transfers.

Requirement: A use of funds or expenditure.

Revenue: Monies received or anticipated.

Salary Provision Budget: Contingency budget used to cover employee compensation increases during the fiscal year.

Sale of Goods and Services: Revenue generated from the college's enterprise and special revenue activities.

Special Revenue Fund (VIII): Budget fund that accounts for revenues that are legally restricted to expenditures for specific purposes, such as federal grants and contracts.

Special Revenue- Administratively Restricted Fund (IX): Budget fund for programs where monies are administratively restricted. Activities recorded in this fund generate revenue primarily through specifically-assessed tuition and fees, or through other revenue-generating activities.

Stabilization Reserve Fund: A separate fund, established at the request of the Board of Education, for the purpose of providing short-term stabilization in anticipation of possible shortfalls in revenue.

Student Services: Expense function covering activities to support students' success and development.

Total Public Resources: Revenue received from State funding as appropriated by the legislature and local property taxes as assessed by the counties.

Transfers Out: An expenditure category that includes resource funding for specific purposes.

Tuition: Revenue generated by assessing students per-credit-hour rates.

UAL: See Unfunded Actuarial Liability

Unappropriated Ending Fund Balance (UEFB): A special amount set aside in a budget for use as a resource in the beginning of the next fiscal year after it was budgeted.

Unfunded Actuarial Liability: Amount PERS has determined to be owed by participating governments to fully fund the retirement system.
