Klamath Community College District

Budget Message

Fiscal Year 2023-24

Introduction

The Board of Education, Citizens, Taxpayers, and Students of Klamath Community College District:

Welcome to the budget development process for fiscal year 2023-24 for the Klamath Community College District. As required by Oregon Revised Statutes 294.305 to 294.565 and Klamath Community College Board Policies Fiscal Affairs and Budgeting and Planning, the proposed budget estimates are hereby submitted for your approval.

We believe that this Budget Message, the proposed FY 2023-24 Budget, other supporting materials and information, and the Budget Committee Meetings will assist you in understanding the College's financial plans for meeting its Mission, Strategic Plan, and Core Themes.

Klamath Community College's Mission Statement

As adopted by the Klamath Community College District Board of Education, our Klamath Community College Mission Statement is:

Klamath Community College provides accessible, quality education and services in response to the diverse needs of the student, business, and community.

The College supports student success in workforce training, academic transfer, foundational skills development, and community education.

Core Themes

The Core Themes adopted by the Klamath Community College District Board of Education are:

1. Provide accessible education and services
2. Provide quality education and services
3. Meet the needs of the students, business, and community
4. Support student success

Strategic Plan Initiatives and Major Accomplishments

Deriving from the College Mission and the Core Themes, the Strategic Plan identifies Strategic Initiatives that guide the College's departments for three years (2023-2026). Each of the following initiatives involve multi-year planning, activities, assessments, and actions.

1. Student Success – KCC will adapt or develop services, practices and technologies to provide an inclusive, engaging and supportive college experience to promote student success and completion.
2. Future-focused education and services – KCC will offer a portfolio of adaptive, innovative, and accessible education and training programs.
3. Organizational viability – KCC will adapt or develop sustainable plans, services, practices and technologies to provide a secure, desirable, and inclusive working environment.
4. Community engagement – KCC will improve and align its plans, communications and collaborative partnerships that advance community engagement, economic improvement, and workforce development.
5. Advanced planning and strategy – Recognizing that our students will be the flexible and mobile workforce of the future, KCC will adapt its planning and data analysis to be responsive to regional, national, and global changes.

The College has achieved numerous accomplishments, including:

Student Success

1. KCC thrived during the pandemic because of its ability to adapt quickly and offer the classes the students needed in the modality that they needed. KCC continues to adapt by creating hybrid classes which allow students to attend classes in person and/or online.
2. The KCC Grants Resource Office was instrumental in the acquisition and securing of 3 Future Ready Oregon grants totaling \$839,124 which will provide credit for prior learning, equipment and student support.
3. The Grow Your Own Teacher Grant provided \$426,670 to increase teacher licensure in the Basin. Students in the Paraeducator degree were given scholarships and were mentored by area teachers. Those teachers were provided with stipends, and additional funds were used for outreach in Spanish and in English.

Future-focused education and services

1. The Southern Oregon Early Learning Professional Development cohort grant allowed for the creation and scholarship of a Spanish language cohort. These Early Childhood Educational professionals will earn certificates and improve daycare in Klamath Falls.
2. The Dual Credit program had 30 high schools participating this year, and the combination of Dual Credit and High School Tuition programs increased 15% in headcount and 16% in Full Time Equivalent (FTE).
3. The College distributed \$221,250 in CARES Act funding directly to students. Another \$24,943 was used to purchase math software to improve distance learning. The College allocated \$16,775 in hotspots for online students, and awarded almost \$61,053 in scholarships. These funds assisted students in maintaining degree progress during the pandemic.

Organizational viability

1. In response to community need, KCC received approval from Higher Education Coordinating Commission and Northwest Commission on Colleges and Universities to offer a Cosmetology program which will provide students with opportunity to earn an associates degree in cosmetology and licensing from the State.
2. KCC has been approve by the Student and Exchange Visitor Program to accept international students.

Community engagement

1. A pre-apprenticeship program with a local area High School has been approved at the state level, and four additional offerings are being developed.
2. Administrators and Faculty from Klamath Community College, Oregon Tech, and Southern Oregon University collaborated on Science, Technology, Math, and Engineering (STEM) pathways to increase the number of secondary education teachers in the Basin.

Advanced planning and strategy

1. The groundbreaking for the state-of-the-art apprenticeship building occurred on November 10, 2021. The completion date is January 1, 2023, and the first classes were held in Winter term 2023.
2. Oregon Child Develop Coalition is now operating a childcare facility on the KCC campus in Building 1. Three acres were donated by Klamath County for a childcare center and the groundbreaking is anticipated in early 2025.
3. KCC added a Cosmetology program which operates out of an additional location. Over the next two years, there will be a significant remodel and/or new construction on campus to move the program to the KCC campus.

Explanation of the Budget Document

The budget document contains the actual revenues and expenditures for fiscal years 2020-21 and 2021-22; the budgeted revenues and expenditures for the current year's adopted budget, fiscal year 2022-23, including supplemental and other budget adjustments, and the proposed budget for fiscal year 2023-24. The budget document also includes charts and graphs to assist the reader in obtaining a comprehensive understanding of the financial categories that support the operations of the College.

The total budget of Klamath Community College District for 2023-24 is proposed at \$69,898,372. The 2023-24 overall budget decreased by approximately -2.17% when compared to the 2022-23 budget, primarily due to the completion of the Apprenticeship Center.

Overview of Budget Process

Budget preparation began in January, 2023 with a “kick-off” email for our KCC budget development process. Our efforts have centered on continuing community college best-practices of budgeting, with the collaborative nature of the KCC budget process as a cornerstone. We proceeded to train college faculty and staff managers on the process that we introduced several years ago. This process includes budget review presentation sessions with the respective cost center manager, College President, Vice President of Administrative Service/Chief Financial Officer, and Vice President or Executive Director of the respective area.

The goal of this inclusive, college-wide process is to ensure each cost center’s budget request tie directly to the College’s strategic plan. This allows for accountability and ensures that investments made in prior years meet the intended goals. Ten years ago, as a college, we decided to work on investing strongly while facing stiff enrollment declines. After these investments, we were able to work on innovation and efficiency, as our investments began paying off with increasing enrollment. We continue to leverage our capabilities and resources and carefully manage our college’s finances.

Draft budget worksheets and budget review session documents (accomplishments, goals and objectives, challenges, and enrollment forecasts) were completed by all faculty and staff managers, estimating their needs based on their priorities for program improvement and increasing enrollment, retention and completion.

Budget review sessions followed, allowing college leadership to understand more clearly the priorities, opportunities, and challenges of each department. Projected revenues and forecast expenditures were included in this review. Additionally, for each academic program, a Cost Margin Analysis (CMA) detailed the revenue received for the tuition of the program, as well as the costs associated with the program. The CMA is intended to assist in determining the sustainability of each program.

After these review sessions were complete, the President met with Cabinet members to determine absolute top priorities. Through multiple review sessions, a strong budget was developed which met the objectives of maintaining strong educational programs and quality services, as well as improving student success through increased retention and completion, while carefully managing our bottom-line. A summary of the proposed budget document was approved by the President for submission to the Budget Committee.

The Budget Committee meets to receive the budget message and the proposed budget, solicit responses from the public, and approve the amount or rate of tax that the College will impose on the District.

Once the Budget Committee is satisfied with the proposed budget, including any amendments, it is approved and forwarded to the Klamath Community College Board of Education. The Board of Education then holds a public hearing to receive testimony from citizens regarding the budget approved by the Budget Committee. Prior to June 30th, the Board adopts the budget, makes appropriations, declares the tax levy, and categorizes the tax levy. Adoption of the budget is currently scheduled for May 23, 2023.

Significant Changes in Budget

- A. State Aid - State aid is a large portion of our budget. The Oregon Legislature proposed an appropriation of \$748M to be distributed amongst all community colleges based on Full-Time Enrollment (FTE), student support and student success factors.
- B. Addition of Cosmetology program and additional administrative support for CTE programs.
- C. The proposed budget has a positive ending fund balance. The goal with this is to continue to allow for efforts toward allowing for strong cash flow, healthy reserves, investment in efforts to grow enrollment.

General Fund - Revenue Sources

A. Federal Sources

Federal Sources are comprised of Adult Basic Education grant dollars that assist with our Adult Basic Education (ABE), General Education Diploma (GED), English as a Second Language (ESL), and High School Completion. This is also known as “Title II Funds.”

Federal sources account for less than 1% of the General Fund's budgeted resources. However, it is important to remember that indirectly, Federal Sources of financial aid to the students drive our tuition revenue.

B. State Sources

State revenues comprise approximately 68% of the General Fund's budgeted resources. State funding for Oregon's 17 community colleges for the last few biennia is as follows:

Fiscal Years 2011-13	\$390,095,286
Fiscal Years 2013-15	\$468,866,776
Fiscal Years 2015-17	\$550,000,000
Fiscal Years 2017-19	\$570,300,000
Fiscal Years 2019-21	\$641,386,996
Fiscal Years 2021-23	\$695,814,935
Fiscal Years 2023-25	\$748,000,000 (Proposed)

The history of direct State Aid funding, along with the projection for the next biennium to KCC, is as follows:

2011-13 Biennium	\$ 7,830,452
2013-15 Biennium	\$ 9,601,896
2015-17 Biennium	\$11,895,024
2017-19 Biennium	\$15,410,133
2019-21 Biennium	\$19,960,150
2021-23 Biennium	\$26,959,163
2023-25 Biennium	\$33,904,574 (Forecasted)

C. Local Sources

Current and delinquent property taxes are incorporated into the category of Local Sources revenue. The permanent tax rate for Klamath Community College District is \$0.4117/\$1,000. The collection rate is assumed to be 93 percent, an average collection rate over the past five years by the Klamath County Tax Assessor, resulting in estimated collectible current property taxes of \$2,447,894.

Local Sources comprise approximately 11% percent of the resources for the College's General Fund.

D. Tuition

After much thoughtful planning and discussion, this upcoming fiscal year (2023-24), a tuition increase is proposed for the following: (4% increase)

1. Lecture courses: \$111 (\$115) per credit hour
2. Lecture / lab combined courses: \$159 (\$165) per credit hour
3. Lab courses: \$231 (\$240) per credit hour

E. Fees

Other General Fund fees associated with enrollment at the College are the following:

1. Student I.D. - \$5.00 per term
2. Facility Fee - \$9.00 per credit
3. Technology Fee - \$8.00 per credit
4. Distance Education Fee - \$22.00 per credit
5. Matriculation Fee - \$40.00 one-time fee
6. Lakeview
 - a. Lecture - \$15.00
 - b. Combined Format - \$22.00
 - c. Lab - \$32.00

The College established Student Course Fees cost centers to fund course fees paid by students. The proceeds of the Course Fees are intended to be used to purchase supplies, services and small equipment directly associated with these courses.

Tuition and Fees are estimated to provide 20% of all General Fund resources.

F. Interest Income

Klamath Community College District currently invests all surplus funds in the Oregon State Treasury - Local Government Investment Pool (LGIP) and in a money market account in accordance with Board Policy, Sections 620.0210 and 620.0215. All state aid dollars are wired directly to the LGIP, thereby providing faster accessibility and maximizing interest income. Interest on taxes is also included in this category.

At \$150,100, interest income is anticipated to contribute approximately less than 1% of the General Fund revenues.

G. Other Revenue/Transfers

Miscellaneous Revenue, Cash Over/Short, and Transfers-In comprise this category. Examples of Miscellaneous Revenue include non-sufficient funds (NSF) fees and vending machine revenue.

Transfers In – Indirect Cost Revenue includes the Administrative Cost Allowance from various grants and Financial Aid.

Transfers-In – General Fund are dollars transferred from other funds that are authorized to be transferred to the General Fund.

Other Revenue constitutes less than 1% of the total General Fund budget.

H. Funds Carried Forward

The beginning fund balance (Carry Forward) for Fiscal Year 2023-24 is projected at approximately \$9,554,740.

Budgeted Ending Unappropriated Fund Balance for the year ending June 30, 2024 is \$5,304,776 with an additional \$2,000,000 contingency.

General Fund - Expenditure Highlights

The General Fund integrates all customary community college activities that are not restricted by the source of funding. These cost centers can be grouped together according to the following categories: Instruction, Instructional Support, Student Services, College Support, Plant Operations, Financial Aid, Contingency, and Transfers.

A. Instruction

Instruction includes all cost centers that provide course instruction to the students. The total budget for instruction is \$9,831,529. The proposed budget will fund 34, 9-month faculty members, and 4, 12-month faculty. Budget is also in support of KCET, which provides Adult Basic Education, General Education Diploma, and English as a Second Language.

In addition to faculty costs, a significant portion of the expenditures in this category are for the support of the contract with Klamath Falls City Schools, County Schools and high school credit recovery.

Instruction costs account for 33% of the General Fund's current expenditures.

B. Instructional Support

This category of Instructional Support incorporates the cost centers that support instructional activities: Academic Administration, the Learning Resources Center, and Staff Development - Instructional. The Vice President of Academic Affairs, two academic deans, and one support staff position are included in Academic Administration.

The College invests approximately \$50,000, or 0.002% of the General Fund budget, for Instructional Staff

Development. These funds provide educational training opportunities to ensure that KCC's faculty remain current on the latest educational trends in their field of expertise.

The Learning Resources Center (LRC) provides an area for students to 1) study; 2) receive assistance from tutors; 3) access the internet for research; and 4) review current library materials.

Instructional Support expense is budgeted at 23% of the General Fund.

C. Student Affairs

The Vice President of Student Affairs oversees the various activities within the student services cost centers. The Registrar is responsible for student records and graduation requirements. The Vice President oversees the Director of Retention and Student Success and the Student Success Representatives who provide services to support students by furnishing admission information, disability services, advising, and enrollment services. A Support Specialist (Receptionist) answers the College's multi-line telephone system and directs students and visitors to appropriate locations.

The expenditures for Student Services activities are estimated to be 11% of the General Fund.

D. College Support

The administrative cost centers inherent in supporting the operations of a college are located in this category. College Support is comprised of the Governing Board, President's Office, Administrative Services, Business Office, Institutional Research/ Assessment/Resource Development, Human Resources, Marketing, Staff Development for Non-Instructional Staff, Security, Information Services, District, and Communications.

College Support comprises 11% percent of the General Fund's budget.

E. Plant Operations

Plant Operations accounts for the maintenance and operation of College facilities. The expense for the campus facilities, utilities, janitorial, repairs, and other similar costs are housed in this category.

This department is accountable to the Vice President of Administrative Services and CFO, and accounts for 5% of the General Fund Budget.

F. Financial Aid - General Fund

The Director of Financial Aid and three Financial Aid Representatives process and monitor Federal Financial Aid for students and works under the auspices of the Vice President of Student Affairs.

This cost center is budgeted in the General Fund at 2%.

G. Contingency and Unappropriated Ending Fund Balance

Local governments may incur expenditures not anticipated during the budget process. Contingency is budgeted in the amount of \$2,000,000 or 7% of the General Fund's budget. ***Only by Board resolution may the Board of Education transfer these funds to an existing appropriation.***

An Unappropriated Fund Balance is proposed at \$5,304,776. An Unappropriated Fund Balance provides the College with funds which are to be used to begin the following fiscal year. No appropriations may be made from an Unappropriated Fund Balance, once the budget has been adopted. The Government Finance Officers Association recommends, at a minimum, that general purpose governments, regardless of size, maintain unreserved fund balances in their general fund of no less than 5 to 15 percent of regular general fund operating revenues.

The General Fund and the Reserve account balances provide the College with 136 days of operating cash at this upcoming budget year's rate of expenditure.

College Priorities, Issues, and Challenges

The College will begin its 27th year of operation effective July 1, 2022. Since its inception, the College has made tremendous progress. This includes gaining accreditation, the purchase and development of the campus, implementation of new academic programs, and other significant achievements as mentioned in the Core Themes and Accomplishments identified above.

The following table reflects the vast desire for post-secondary education that the College has filled:

Fiscal Year	Headcount	Reimbursed Full Time Enrollment (FTE)	% Increase or Decrease
2011 - 2012	5,376	1984	0.20%
2012 - 2013	4,799	1636	-17.50%
2013 - 2014	4,708	1672	2.20%

2020 - 2021	4,041	2005	2.67%
2021 - 2022	5,034	1829	-8.78%
2022 - 2023*	5,638	2048	12.00%

*Projected

Although headcount and Full Time Enrollment (FTE) figures for fiscal year 2022-23 are estimated at this time, the projected ending FTE for fiscal year 2022-23 is anticipated to be approximately 2,048 with a 12% increase in FTE.

All full-time employees and those employees who work 600+ hours in any one calendar year participate in the Public Employees Retirement System (PERS). The College contributes the required 6 percent of eligible employees' gross salary in addition to the College's pre-defined percentage established by PERS according to retirement rates, etc. The following portrays the College's PERS rates since its inception:

<u>Fiscal Year</u>	<u>Rate</u>	<u>OPSRP Rate</u>

Administration has developed and continues to update a multi-year financial planning/forecast model originally developed in June 1998 that allocates limited College resources. A copy of the model follows the Organizational Chart. This model reflects historical revenues and expenditures and currently permits forecasting through FY 2026-27. The model also incorporates the State of Oregon's current estimate of state support based upon the proposed distribution formula.

The financial model also tracks the projected cumulative fund balance and the corresponding number of days operating cash. The model accounts for Faculty Costs and Instructional Support costs differently than the proposed budget. The Model, under Faculty Costs, only reflects the salaries and associated benefits while the Materials and Services along with Capital Outlay are captured in Instructional Support. This permits Administration to view personnel costs separately and budget appropriately.

Acknowledgments

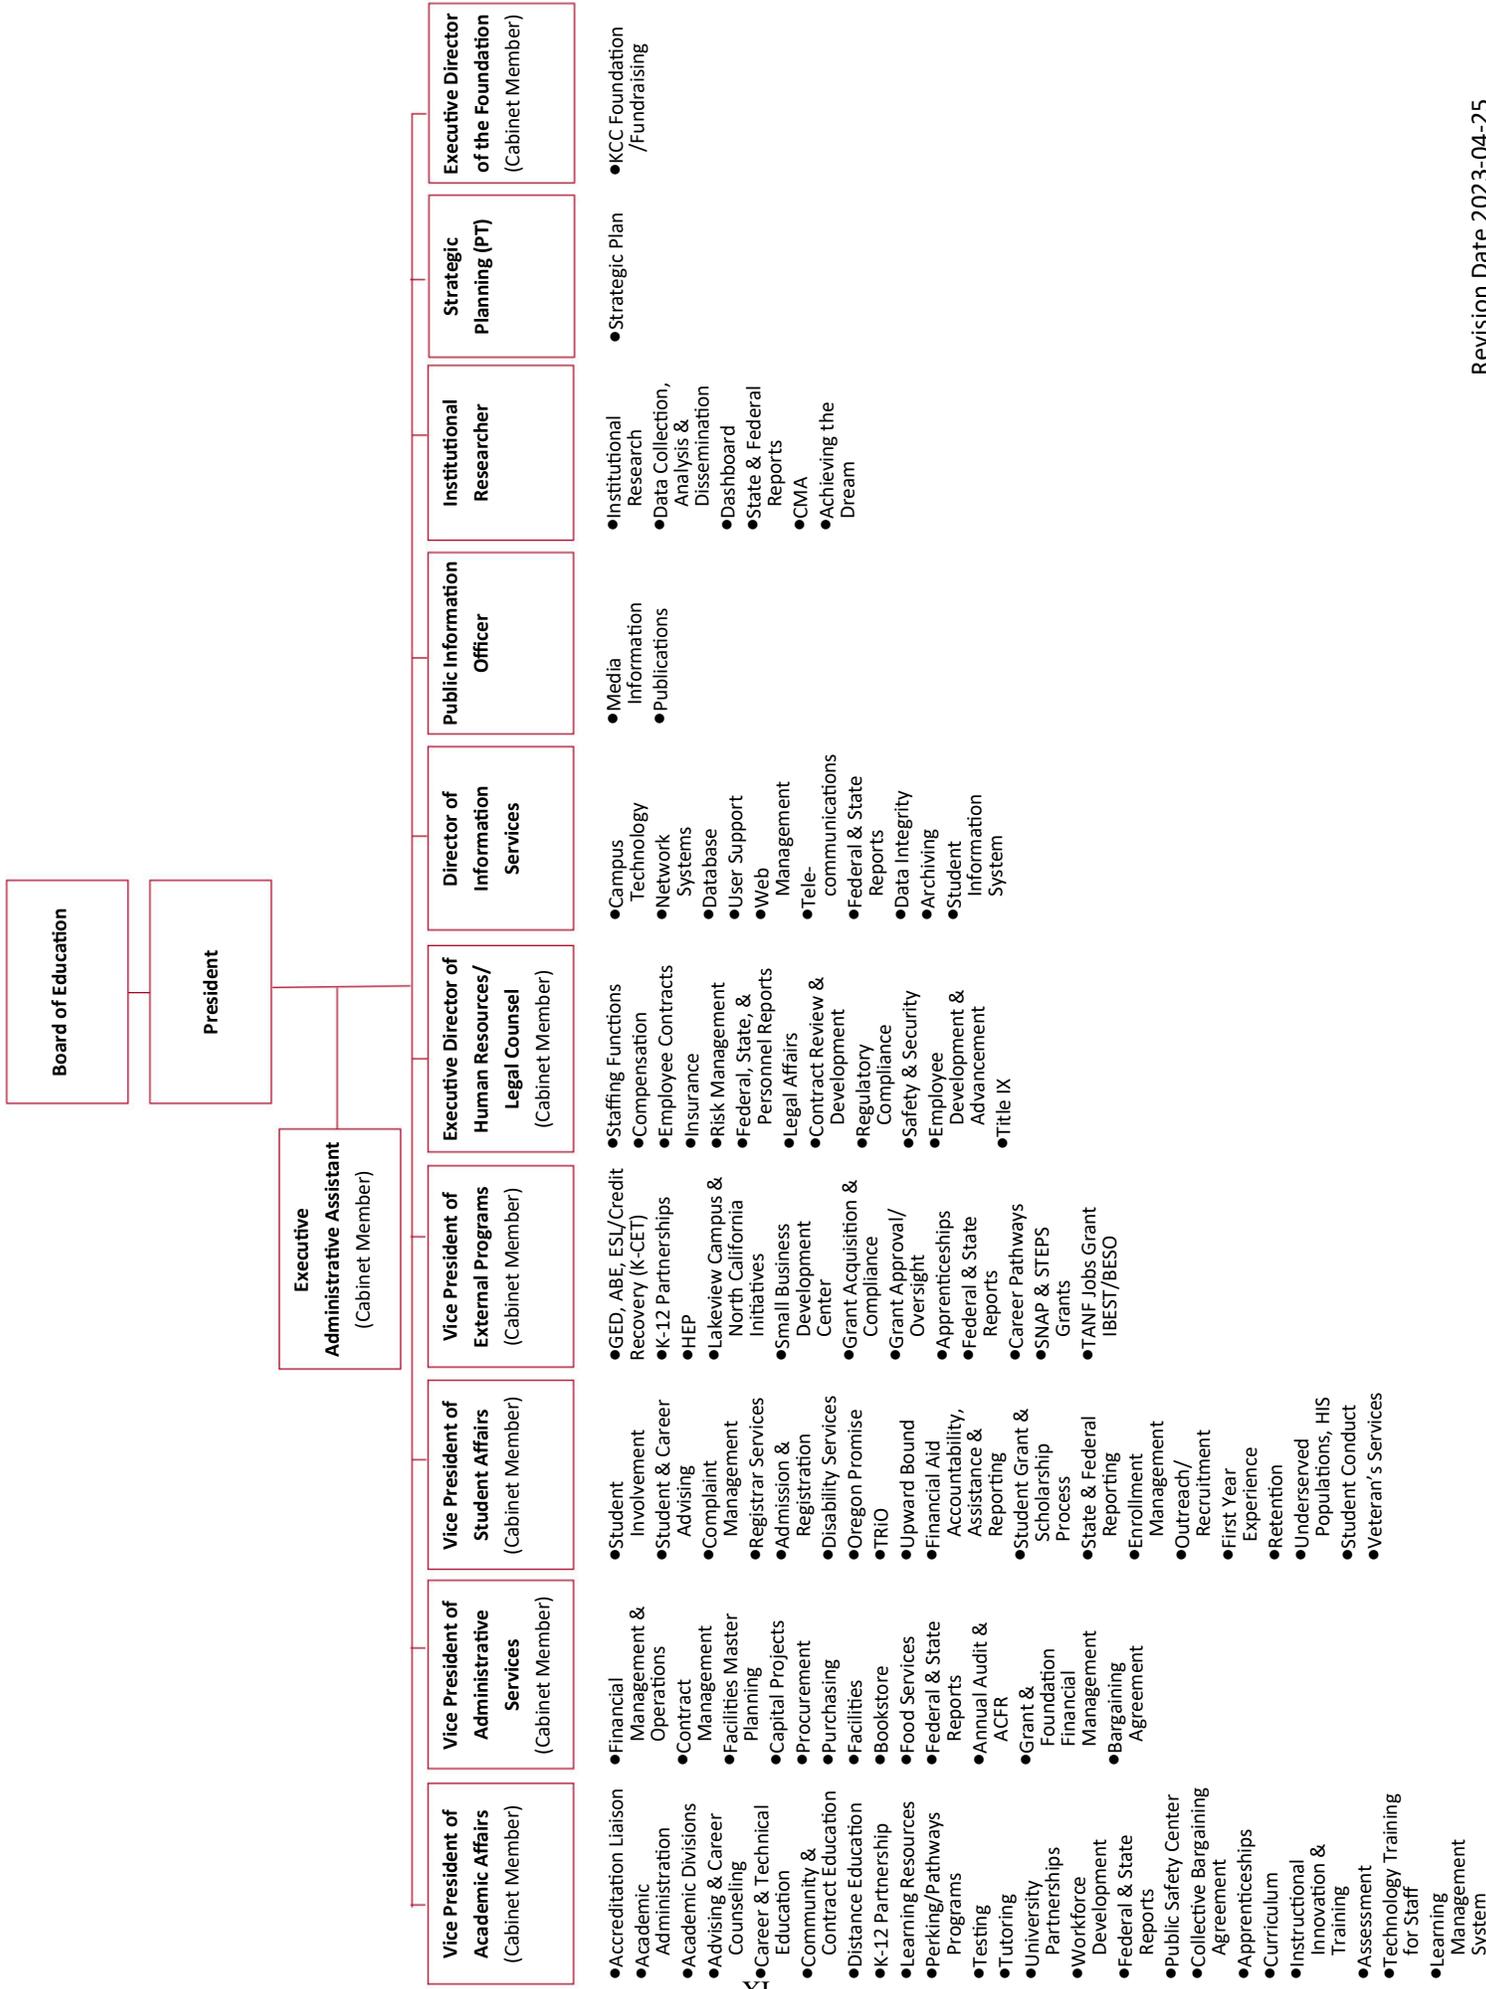

I thank the College's faculty and staff for their many hours of work in preparing their budgets and participating so strongly in our KCC budget development process.

I would like to thank KCC President Dr. Gutierrez for his vision, his passion for serving the Community of Klamath Falls and surrounding neighbors, and his courage to invest in new programs and key personnel in the face of a difficult economy. Our College President's leadership skills have kept everyone focused on establishing priorities that will serve the College and the Klamath Community for years to come.

I would also like to extend special thanks to Assistant Controller Nicole Baker, Director of Business Services/Controller Denise Reid, Administrative Assistant Sharon Emery, Grants Account Diane Ackley and the dedicated staff of the Business Office for their attention to important details, their continuous encouragement and ability to pull everyone together on this project. Without these very important people, this budget, with its current, collaborative foundation, scope, and detail, simply could not have been prepared.

Respectfully submitted,

Geoffrey LaHaie
Vice President of Administrative Services/CFO

The Testing Center budget funds the Testing Center's one full-time administrative staff, and one full-time support staff. Increase in need for part time staff to support expanded evening hours for the testing center and increase remote testing opportunities. Having recently undergone a site and equipment expansion/upgrade, the Testing Center acquired Ramsay Corporation as a new testing client. Ramsay Corporation provides hundreds of up-to-date technical and assessment exams in the construction and trade industry. Additional staffing needs for on-line student access. This new partnership strengthens the Testing Center's ability to meet the needs of the local workforce. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy.

The Special Projects budget accounts for the expenses of smaller grant-funded projects, allowing for the acceptance of smaller grants for specific purposes. Because these budgets are small they do not require Board approval. This cost center supports the Strategic Plan initiatives of Access, Excellence, Community and Prosperity and Core Themes, "Meets the needs of Student, Business, and Community", and "Support Student Success".

The TRiO Student Support Service program targets up to 140 of Klamath Community College's most vulnerable students (low income, disabled, and first generation who meet a demonstrated academic need) and provides a variety of services to support and achieve success through regular academic advising, tutoring, college success workshops, college transfer visits, enrichment opportunities, and degree completion success programs. This cost supports the Core Theme of Student Success. The Strategic Plan initiatives of Improved Reputation for Excellence and Improved Access are targeted for action. This cost center provides for the Grant Administrator, a Learning Advisor, an administrative assistant, and other part-time educational personnel in the form of tutors.

The Small Business Development Center (SBDC) receives funding from multiple sources, including Federal, State, and local (College) match. Program income is also earned and expended to support the Center. These sources fund one half-time Director, one full-time Assistant Director, one full-time Program Coordinator, hourly Business Advisors, and adjunct and contract instructors. The purpose of the SBDC is to provide confidential no-cost advice and affordable training to Klamath and Lake County's small for-profit businesses, assisting pre-venture and existing entrepreneurs with ideation; access to capital; business plan and funding proposal development; retention and creation of jobs.

This fund allows the College to set aside resources for the future development of programs. These funds will eventually provide resources for the purchase of equipment and other required items for program start up. This cost center supports the Strategic Plan Initiatives of student success, future-focused education and services, organizational viability, community engagement, and advanced planning and strategy.

This fund allows the College to set aside funds in a "savings account" for operational purposes should there be a reduction in State Aid Payments. In past years, the State of Oregon has reduced its biennial appropriation to the community colleges due to economic downturns. Not only were the payments to community colleges reduced, the final payment for the biennium was postponed three months, creating cash flow issues for several colleges. This cost center supports the Strategic Plan Initiatives of Excellence and Planning, and Core Theme, "Support Student Success."
