## 2. Work Skills Technology Center

Work Skills houses Computer Engineering Technology, Health Information Management, Advanced Manufacturing, and the Klamath Center for Education and Training. Make sure to check out our state-of-the-art computer lab (by special request).

## 3. Health Sciences Building

The Health Sciences Building houses KCC's science programs, including biology and anatomy labs. The building also features the simulation (SIM) lab with computerized 'patients.'

## 4. Career Technical Center

The Career Technical Center houses our huge diesel and automotive lab spaces. Students can get their hands dirty in this building. The center also contains several hands-on classrooms.

## 5. KCC Conference Center

This is a large open space that is ready to be rented. The KCC Conference Center can be used for meetings, conferences, parties, and more. More information about renting the space can be found on KCC's website.

## 6. Building 4

Are you hungry? Building 4 contains the Commons with our micro-market. You can get food and drinks here. The building is also the site of KCC's Student Life Center, Career Services Center, the Wellness Center, and Upward Bound.
