CSSC Scholarship — Memorandum of Understanding
Applicant Agreement

Please read each item carefully before signing. By signing below, you confirm that you have read, understood, and agree to all conditions listed in this document.

APPLICATION REQUIREMENTS

I understand and acknowledge the following regarding my application:

- I must complete the FAFSA, have a Student Aid Report (SAR), and be eligible for a Pell Grant.
- I must complete all application requirements and interview with the selection committee to be eligible for a scholarship.
- Even if I am eligible, I may not receive an award — eligibility does not guarantee a scholarship.
- My application will not be considered, and any awarded scholarship will be revoked, if it is determined that any information I provided is false, altered, or written by anyone other than me — including the use of AI-generated content.
- My application is confidential and my application materials will not be returned to me.

SCHOLARSHIP OBLIGATIONS (IF AWARDED)

If I am awarded a CSSC scholarship, I understand and agree to the following:

- I must attend Klamath Community College with the intention of earning an AAS degree in either Computer Engineering Technology or Cybersecurity and Networking within two years (six academic terms).
- I must complete an academic plan with my assigned faculty mentor before the start of my first academic term.
- I may lose my scholarship if I do not maintain a minimum 2.00 GPA or if I fall off track with my approved academic plan.

SIGNATURE
