If you have questions along the way please e-mail $\underline{\text{finaid@klamathcc.edu}}$.

Financial Aid Checklist FAQ's (Frequently Asked Questions)

When and how do I submit a FAFSA:

- Some funding is limited to early applicants. BE SURE this is at least 3 months before you planto enroll and start classes to allow for processing time.
- Use your legal name (most commonly, per social security records), accurate SSN, and correct date of birth.
- If prior year income and federal tax information is not available and it is before the tax filing deadline (April 15th), file your FAFSA using estimated income/federal tax information.

How do I get admitted:

Please visit Klamath Community College's Web Page at www.klamathcc.edu/Admissions OR, come to the college campus to meet with a KCC Student Success Representative. These individuals will assist you with the admissions-process-and will help you with scheduling any needed placement testing, along with information about orientation/advising/registration (they may also recommend that you meet with Financial Aid). For assistance, call the Student Services Help Line at 541-882-3521. You will also be provided assistance in creating your online web account so that you can access information from the college, as well as be able to see required documentation needed from you to continue your enrollment into Klamath Community College.

Why should I watch my email and monitor MyKCC? How do I know I have submitted ALL required documents?

- After you submit your FAFSA, the Department of Education will email you. Log in at www.FAFSA.gov, check the status and make corrections, as
 necessary (if you filed your FAFSA with estimated income/tax estimates, you've now filed federal taxes and want to use the IRS data retrieval tool).
 If corrections are necessary after you have been awarded, notify the Financial Aid Office, as correcting your application could lead to funding delays.
- Also, watch for "Financial Aid Mail" email from the Financial Aid Office as a prompt to check your financial aid status at MyKCC. "Financial Aid Requirements" will tell you if we need something from you.

What happens if I do not provide the information requested by KCC:

- Only after you submit ALL required documents can KCC put your file into a "ready to review" status that is processed in date order (processing time can average up to three weeks).
- · If you provide incomplete or conflicting information, we will require additional documentation/clarification before awarding your financial aid.
- Students will be unable to charge books/supplies at the Bookstore, and may need to have alternate funding available for these.

What does "Review and Accept KCC's Conditions of Financial Aid" mean?

- You must officially accept your award(s) by following the instructions on the email that is sent to you. You will be asked to read and accept the Terms and Conditions of Financial Aid at KCC for the year. You need to read it carefully and check the box acknowledging that you have read and understand.
- Federal regulations require financial aid recipients to make Satisfactory Academic Progress (SAP), to maintain access to funding.

What should I do after I get my award and start classes:

- Be sure you have completed any schedule changes as of the first Friday of the term (Add/Drop Deadline), as KCC will adjust your financial aid to match your eligible enrollment at that time (or prior to payment, whichever is later).
- Enroll in courses you need, attend (participation beyond orientation) each course and do well academically.

What is a financial aid refund and when do I get the money:

- Any financial aid left on your account the day after tuition, fees, and books are paid will be refunded to your student account.
- It is to be used toward cost of living expenses while in school.

Besides federal and state need-based Grants, what other funding options do I have for school:

- Scholarships. Not a quick source of funding; however, one that you don't have to pay back. Some informational sites follow:
 - KCC Foundation offers scholarships during the Fall Term annually. Please look for submittal dates beginning in October of each year.
 You may contact The Foundation office at 541-880-2234 or view the scholarship page on the KCC webpage.
 - www.getcollegefunds.org
 - o www.fastweb.org
 - o www.collegeboard.com
 - o www.scholarships.com
- Student employment: Apply for a part-time, on-campus job at www.klamathcc.edu.

Private Student Loan Information:

If you are accepted into a program with additional costs, such as the aviation program at Klamath Community College, please visit www.finaid.org/loans/privatestudentloans in order to research options that may fit your situation.
