Your financial aid application indicates you already earned a Bachelor's Degree. The financial aid office must have additional information before determining your eligibility for financial aid from Klamath Community College. Your information will be carefully evaluated, and you **may not** be approved to receive financial aid at KCC for your program. Sign and return the completed form to the Financial Aid Office. This process will take additional time so please be patient.

Please check one of the following:

☐   I have received a Bachelor's Degree.

_____   _____
Degree Earned   Institution

_____
Date of Graduation

☐   I have not received a Bachelor's Degree, but have attended another college.
    List all previous colleges attended

_____

_____

_____

☐   I have not attended another college.

You must take the following action before your aid eligibility at KCC can be determined: (initial each line when completed):

_____Request official transcripts from **all** previous colleges attended. These should be sent directly to the KCC Financial Aid office.

_____Complete and submit a Transcript Evaluation Request Form (available from Student Services or on the KCC web site under Current Students/Registrar). You must submit this form to the KCC Registrar's Office.
