Your 2024-2025 Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History Review" by the U.S. Department of Education because you received Pell Grant funds at multiple education institutions during the review period: 2021-22, 2022-23, and 2023-2024. This flag requires Klamath Community College to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, Klamath Community College will check the National Student Loan Data System (NSLDS) to obtain a complete history: the name of institutions you have attended, and the dates of attendance.

**Please complete the steps below.** Your application for financial aid will not be considered until you submit this completed form and **ALL** required documentation. You will be notified via mail of our decision.
