## Instructional Program Review - Automotive

#	COMMENTS/FEEDBACK:	DATE
1	Goal 3 says that it's still in progress, but the overall growth of the program seems to indicate great momentum (especially with just one full time faculty!). I think it was talked about that additional internships might be developed along with strong connections to the corporate partners allied with local dealerships (for donations of equipment/vehicles/et al). I would set a target for annual program recruitment so you have a baseline, as well as targets around certificate completion, retention, et al.	5/30/2020 2:16 PM
2	Goals are clear and well stated. More information needed on how to meet them.	5/30/2020 9:28 AM
3	Each goal should be specific, measurable, and have a time reference.	5/27/2020 1:31 PM
4	Need for instructors in high schools was mentioned, but are these programs being offered in HS? If not, that needs to change.	5/26/2020 1:54 PM
5	The goals 1 and 2 are developed, and there is lots of effort being made to accomplish goal 3.	5/21/2020 10:10 AM
6	In goals 1 and 2 there is definite evidence that the automotive department is making good strides towards achieving their goals. In goal 3 it shows that they know what they want but not how they intend to achieve the goal.	5/21/2020 9:49 AM
7	The automotive program is growing at a solid rate with new goals emerging and has met set goals to date.	5/19/2020 2:17 PM
8	Some goals have been achieved while others are still being worked on and have not been achieved.	5/19/2020 7:01 AM

**Q2 LABOR MARKET PROJECTION** Highly Developed: Thoroughly explains projected market demand and potential effects on program; presents highly developed plan to address projection. Developed: Explains projected market demand and discusses several possible actions to address projection. Emerging: Minimally explains projected market demand and lists one or two actions to address projection. Initial: Presents labor market demand without analysis/explanation and fails to list possible actions to address projection.

1	Recommend working with the Career Services team to find more intern/externships for students to promote greater community goodwill. The partnership with Lithia is a great opportunity for our students.	5/26/2020 1:54 PM
2	Should share Lithia Information on their stats for replacement.	5/22/2020 2:55 PM
3	Good research on local and area openings. Interesting that many are retiring and this will increase the job prospects.	5/21/2020 10:10 AM
4	The description of what the market demand is and how that effects the future job market is really well detailed. How the program has been changed to meet those demands is pretty well described in section 2D. It would have been nice to see more on how they intend to continue to meet new demands in the future.	5/21/2020 9:49 AM
5	Automotive is doing a great job preparing and placing students in to employment opportunities.	5/19/2020 2:17 PM

**Q3 RESOURCES: PROFESSIONAL DEVELOPMENT**

**Highly Developed:** Exhibits ongoing and systematic support of professional development opportunities.

**Developed:** Exhibits support of regular professional development opportunities.

**Emerging:** Evidence of intermittent professional development opportunities.

**Initial:** Minimal evidence of professional development opportunities.

1	Are there specific industry certifications that need to be updated regularly (i.e. evolution in analytic tools where the instructor requires additional training?). Is there an outline/requirement beyond KCC and required teaching credentials where adjuncts require a certain level of industry training/certification. Is there a departmental plan for keeping credentials/knowledge current?	5/30/2020 2:16 PM
2	Due to instructors teaching experience and general experience, development and mentoring is critical for his success. Deeper reflection and plan is important.	5/30/2020 9:28 AM
3	Comprehensive professional development utilized.	5/27/2020 1:31 PM
4	Glad to see instructors using the resources available at KCC. It is also encouraging to see instructors attending outside training to keep up with new technology.	5/26/2020 1:54 PM
5	Should look into more training and requirement of Adjuncts.	5/22/2020 2:55 PM
6		5/21/2020 10:10 AM
7	They have multiple listings of the professional development opportunities that are currently being offered. It would be helpful to show more about the other opportunities they are looking to add to the program.	5/21/2020 9:49 AM
8	Appears to seek a wide variety of training opportunities.	5/19/2020 10:38 AM

**Q4 RESOURCES: FACULTY MEETING INSTRUCTIONAL NEEDS**  
**Highly Developed:** Employs a sufficient number of highly qualified faculty to meet instructional needs.  
**Developed:** Employs an adequate number of qualified faculty to meet instructional needs.  
**Emerging:** Has a plan to employ an adequate number of qualified faculty to meet instructional needs.  
**Initial:**

## Faculty numbers and/or qualifications are insufficient to meet instructional needs.

1	Like many of our campus peers, this department seems to do a LOT with very little. Additional faculty as program ramps back up post Covid19 might be needed	5/30/2020 2:16 PM
2	Identified a need for more high school instruction in opening. Is that with existing faculty or thru partnership or more instructors?	5/30/2020 9:28 AM
3	Broad array of training and technologies available to support the learning environment.	5/27/2020 1:31 PM
4	According to what was said in the last meeting, automotive needs more employees to be able to have a new group start every fall instead of every other fall.	5/21/2020 9:49 AM
5	With increased enrollment, the program would likely benefit from having more than one faculty member. Continued education opportunities (e.g. bachelor's degree) may also be beneficial for faculty.	5/19/2020 10:38 AM

**Q5 RESOURCES: FACILITIES AND EQUIPMENT**  
 Highly Developed: Facilities and resources meet current and future needs.  
 Developed: Facilities and resources meet current needs.  
 Emerging: Evidence of a plan to have facilities and resources meet current and future needs.  
 Initial: Minimal evidence that facilities and resources meet current and future needs.

#	COMMENTS/FEEDBACK:	DATE
1	Need to state in report that you are weeding out inventory of older vehicles and a need exists for new vehicles. This will not be achieved by donation.	5/30/2020 9:28 AM
2	Needs more up to date mockup's or vehicles for the students to work on.	5/29/2020 10:17 AM
3	Technologies and equipment could use a significant upgrade.	5/27/2020 1:31 PM
4	Need for more current vehicles, especially hybrids. The program lead has been working with various resources to get new vehicles on campus for students to work on.	5/26/2020 1:54 PM
5	Need better plan for updated cars. Better Lab write up.	5/22/2020 2:55 PM
6	It is difficult to keep up with the latest tools and equipment. One suggestion from our review panel was to connect with local car dealers for specific equipment training.	5/21/2020 10:10 AM
7	Automotive is in need of more recent vehicles and equipment to keep up with new technologies. As was mentioned in the meeting it may be helpful to contact manufacturers to see if they can help get more up do date equipment.	5/21/2020 9:49 AM
8	There is a clear need for newer vehicles to help this program teach and prepare its students.	5/19/2020 2:17 PM

**Q6 EFFECTIVENESS: STUDENT LEARNING OUTCOMES ASSESSMENT**  
 Highly Developed: Exhibits ongoing and systematic SLO assessment to adjust instruction.  
 Developed: Exhibits student learning outcomes assessment and uses results to change instruction.  
 Emerging: Has a plan to engage in ongoing and systematic SLO assessment,

including using results to change instruction. Initial: Minimal evidence of SLO assessment.

1	Data was a little difficult to get to as presented (links), but it looks like solid headcount with opportunity to continue to improve completion rates.	5/30/2020 2:16 PM
2	Student success assessment is based on measurable passing of ASE test.	5/30/2020 9:28 AM
3	Wide variety of measurements are used.	5/29/2020 10:17 AM
4	Multiple levels of assessment. Industry certifications utilized as performance measures.	5/27/2020 1:31 PM
5	This program has great support and has worked with other departments to get appropriate math, writing, etc. courses that align with their program needs.	5/26/2020 1:54 PM
6	This seems to be a strong point for the automotive program. From what was said in the meeting and what is in the program review, student success seems to be the first and last thing the department cares about. Even with the out of date equipment, there are lots of hands on educational opportunities for the students.	5/21/2020 9:49 AM

**Q7 EFFECTIVENESS: STUDENT SUCCESS**  
**Highly Developed:** Thoroughly analyzes trends in enrollment, degrees awarded, time-to-completion rates, and formulates comprehensive plans to address them.  
**Developed:** Describes trends in enrollment, degrees awarded, time-to-completion rates, and formulates plans to address them.  
**Emerging:**

Describes trends in enrollment, degrees awarded, time-to-completion rates, and makes an attempt to plan to address them. Initial: Minimal description of trends and/or fails to formulate plan to address them.

1	By volume and current instructor leadership, this program is a success. I would encourage documented standards for professional development activity tracks and continued specific comprehensive metrics goal setting, tracking and sharing of data around student recruitment/retention/completion (which we can see is happening, but might be provided with additional structure).	5/30/2020 2:16 PM
2	It appears that program is in a positive upward trend. Enrollment up, goals are clear. Details and plan are necessary to continue success. Internships are a key. If KCC can get basics in place and provide a reliable pipeline of employees the program will grow.	5/30/2020 9:28 AM
3	Lot's of positive work going on for this program. Workforce relevant job experience, high school recruitment, etc.	5/27/2020 1:31 PM
4	Great program, great job. Keep it up!	5/26/2020 1:54 PM
