

## Oregon Certificate of Immunization Status for Colleges & Universities Oregon Department of Human Services, Immunization Program

Oregon law requires proof of immunization be provided for two doses of measles-containing vaccine or a religious or medical exemption be signed prior to attendance at a college or university. This information is being collected on behalf of the Oregon Department of Human Services, Immunization Program and may be released to the Department or the local Public Health Authority by the institution upon request of the Department. Please list immunizations in the order they were received.

## For medical exemptions to measles vaccine: Please submit a letter signed by a licensed physician stating:

- Name
- Birth Date
- Medical condition that contraindicates vaccine
- List of vaccines contraindicated
- Approximate time until condition resolves, if applicable
- Physician's signature
- Physician's contact information, including phone number

## **Religious exemption:**

Contact the school for more information if you are considering a religious exemption.

I have read and understand the information in the brochure that I received. I am aware of the potential risks being unimmunized, including being excluded from attending school during a disease outbreak. My religious beliefs prohibit my use of immunizations:
