

Klamath Community College
to
Oregon Institute of Technology
Bachelor of Applied Science in Technology and Management

Articulation Agreement
2020 - 2021 Catalog

It is agreed that students transferring with an Associate of Applied Science (AAS) or Associate of Science (AS) from Klamath Community College (KCC) to Oregon Institute of Technology's (Oregon Tech) Bachelor of Applied Science in Technology and Management (BTM) will be given full credit for up to 60 credits of Career Technical Electives and additional listed courses as completed. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both LCC and Oregon Tech, and is subject to a reevaluation every year by both schools for continuance. This agreement is dated July 13, 2020.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending KCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

The following degree programs are approved for this articulation:
