**Oregon Institute of Technology**  
**Bachelor of Science in Business Management**

**Articulation Agreement**  
**2023 - 2024 Catalog**

It is agreed that students transferring with Klamath Community College's (KCC) Associate of Applied Science in Business Administration - Management to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Business Management (BSBM) will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both KCC and Oregon Tech and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated March 21, 2024.

Bachelor degree-seeking students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Bachelor degree-seeking students that transfer to Oregon Tech with 300-400 level transferable courses must complete at least 45 additional credits with Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Dual Enrollment is possible according to an existing Memorandum of Understanding. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. To utilize this agreement students must attend KCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.
