

**Klamath Community College
Emergency Medical Technician Certificate
to
Oregon Institute of Technology
Bachelor of Science in Emergency Medical Services Management**

**Articulation Agreement
2023 - 2024 Catalog**

It is agreed that students transferring with Klamath Community College's (KCC) Emergency Medical Technician Certificate to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Emergency Medical Services Management (BEMS) will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both KCC and Oregon Tech and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated February 28th, 2024.

Bachelor degree-seeking students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution. Bachelor degree-seeking students that transfer to Oregon Tech with 300-400 level transferable courses must complete at least 45 additional credits with Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Dual Enrollment is possible according to an existing Memorandum of Understanding. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. To utilize this agreement students must attend KCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

Additional Oregon Tech Credits ⁶	127
Total Oregon Tech Degree Credits ⁷	190

1. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward the BEMS.
2. Students can transfer up to three (3) credit hours of Humanities electives into the BEMS; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following KCC prefixes: ART, ENG, MUS, PHL, THR, or Languages (second year/200-level only).
3. Does not count toward the 60 upper-division credit requirement.
4. Military credit for general education courses at KCC, denoted by (M), will count for the equivalent Oregon Tech course.
5. Must take PSY 201A and PSY 202A to receive credit for Oregon Tech's PSY 201 and PSY 202.
6. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
7. Oregon Tech's BEMS requires 190 credits for the Critical Care Track.

8. Students who complete their paramedic education at an accredited college or university and hold a current paramedic certification do not have to complete 200 level paramedic education courses.
