

Kaplan Nursing Entrance Exam for all RN and PN track Students (those who will be entering nursing 110 and 110C in fall 2026)

All applicants to RN and PN Klamath Community College Nursing programs must complete the Kaplan Nursing Entrance Exam at the KCC testing center between January 5, 2026 – April 15, 2026. The test may only be taken once each admission cycle. The student must call the test center to set up an appointment to test.

The Kaplan Admissions Test consists of four sections with a total of 91 questions. The total testing time is up to 165 minutes.

READING: 22 questions; time allotted is 45 minutes. Candidates read four passages and answer questions that measure the essential skills required for reading:

- Determining the logic of a passage
- Comprehending details
- Drawing basic inferences
- Identifying the purpose of a passage

MATH: 28 questions; time allotted is 45 minutes. The test measures the candidate's ability to apply mathematical principles in the following areas:

- Conversions
- Operations
- Ratios
- Word Problems

WRITING: 21 questions; time allotted is 45 minutes. Candidates read nine passages and answer questions that measure the essential skills required for writing:

- Assessing passage development
- Assessing paragraph logic
- Assessing mechanics of writing

SCIENCE: 20 questions; time allotted is 30 minutes. The test measures the candidate's knowledge of physiology in the following areas:

- Cardiovascular system
- Electrolytes
- Gastrointestinal system

Kaplan Nursing Entrance Exam for all RN and PN track Students (those who will be entering nursing 110 and 110C in fall 2026)

- Immune system
- Nervous system
- Renal system
- Hematological system
