### Program Mission:

Students will be able to earn a non-credit training certificate from Klamath Community College. Students will learn basic dental assistance to prepare for future dental certifications and the dental radiology exam after obtaining verification from an Oregon-licensed Dentist or Dental Hygienist within six months of being authorized to take radiographs.

### Course Description:

This 6-month course has six hours of classroom instruction per week for a total of 140 hours. In addition, each student will be required to complete a 70-hour Internship with a local Dentist and KCC instructor at Klamath Health Partnership to shadow and practice providing patient dental care.

Participation and attendance are mandatory to be placed in an internship. You are allowed two absences during this program, which you should save for illness and emergencies that prevent you from attending class.

This course has a student cap of 8 students. Students will be entered into the program on a first-come, first-serve basis.

### Prerequisites & Program requirements:

- High school graduate or GED equivalent
- Must be 18 years or older before class starts.
- Up to date on all vaccinations (Provide copy)
- Hepatitis B vaccine series & Tuberculin (TB) skin test (Provide copy)
- COVID-19 vaccination is required by Oregon Health Authority to participate in clinical internship.

### Requirements to be completed during training:

- BLS American Heart Association card

- Completion of agreement & internship orientation with clinic prior to internship
- Completion of 70- hour internship
- Pass a random Drug Screen & Background check (No refunds due to inability to pass background check/drug screen)
- Attend resume workshop

\*Screening can be conducted any time prior to the start of internship. All applicants understand that inability to pass the drug screen and/or background check will affect their ability to complete internship and program requirements.

\*Disclaimer: Although marijuana may be legal in the state of Oregon for adults over the age of 21, most providers do not allow it and therefore we cannot accept any student into the internship that tests positive for marijuana on their drug screen.

If you have any questions about your ability to meet these requirements, please contact the Workforce/Community Education Department Coordinator at 541-880-2243.
