Building 4 is on lock down for extra safety measures. The food pantry procedures have extended sanitization measures including wearing gloves and masks as well as curb side pick-up.
- b. Donation of computers – Amber took care of everything and it went well. We want emails to go out to tell students about the computers. We do not really need to be recognized for our donation. They are clear on the fact that our donation is just for computers.

VI. NEW BUSINESS

- a. COVID-19 Discussion and Update – An email was sent out with more fine-tuned details and policies on the virus. Commencement has tentatively been postponed.
- b. Social media – Weeks 4 and 9 are ASKCCs weeks to do virtual events. On week 4 maybe we can do a virtual club fair. We will need to reach out to clubs to get photos and links. We will be playing week 9 by ear until we know if the gathering together is still prohibited.
