

## **Badger Venture 2024**

### **Small Business Proposed Problem Form**

**Due on December 15th, 2023**

The purpose of this form is to give a summary to the Badger Venture Competition Committee that outlines your business's preliminary issue. We want you to describe the proposed project/issue, the challenges the issue presents to your business, if a solution already exists and if so, why you haven't used that solution, and what specific goals you hope to achieve

Please use the following form to submit your Proposed Problem.

If your Proposed Problem is selected by a student team, we will notify the business owner or representative in February 2024 and ask the following from the business owner or representative:

- ✓ A tour for the student team to meet the business owner/representative, see the business, and observe what the issue is.
- ✓ Attend two advising sessions between the months of February and April with the team's SBDC advisor to discuss the progress.
- ✓ Fill out and return a closing survey in May, that will help assess this program and make any changes if needed.

Please use the following form to submit your business's Proposed Problem. Submit your completed and signed Proposed Problem Form to:
