If it is determined that you are admissible to Klamath Community College, KCC can provide you with an I-20 only after you submit satisfactory evidence that you have adequate funds for your program of study. Financial documents must not have been issued more than six (6) months before the term you intend to enroll in at KCC and must accompany this form. Be sure to keep copies of these documents as you will need to present them to the U.S. Consular Officer at your visa interview and to the U.S. Immigration Officers at the Port of Entry to the United States.

We have included a list of estimated costs with your application for admission packet. Please refer to it as you complete this form. Please be aware that costs do increase slightly from year to year. Please note: U.S. Visa regulations restrict student employment, and therefore, it is important not to rely on employment for income to offset your educational expenses.
