

# STUDY IN THE USA & IN FRANCE 100% IN ENGLISH & GET YOUR BACHELOR IN MANAGEMENT IN JUST 3 YEARS

This programme offers an intensive year of business specialization and intercultural immersion. The specialized courses are accompanied by a broad range of general management classes relevant to all tracks. Students will develop both concrete specific knowledge of management and invaluable intercultural skills to operate in a variety of international contexts for their future careers.

The top-up degree will prepare graduates to enter the job market or will give an excellent foundation for pursuing a Master's degree in a chosen field of specialization.
