Klamath Community College
College Now/College Online H.S.

Academic Benefits

- **College Credit**: Earn credits that may count toward both high school and college graduation.
- **Advanced Learning**: Exposure to more rigorous coursework can better prepare students for college-level expectations.
- **Improved College Readiness**: Develops skills in time management, critical thinking, and independent study.
- **Stronger College Applications**: Demonstrates initiative and academic ambition to admissions officers.

💰 Financial Benefits

- **Reduced College Costs**: Fewer credits needed later can mean lower tuition and fees.
- **Shorter Time to Degree**: Potential to graduate from college earlier, saving on living expenses and entering the workforce sooner.
- **Access to Free or Subsidized Courses**: Many high schools or states cover the cost of dual enrollment.

Personal Growth

- **Confidence Building**: Success in college-level courses can boost self-esteem and motivation.
- **Career Exploration**: Opportunity to explore fields of interest before committing to a college major.
- **Networking Opportunities**: Interact with college professors and students, expanding academic and professional networks.

🛠️ Practical Skills

- **Time Management**: Balancing high school and college responsibilities teaches valuable organizational skills.
- **Study Habits**: Develops effective learning strategies that are essential for college success.
- **Technology Proficiency**: Many college courses use digital platforms, helping students become more tech-savvy.

KCC College Now/College Online H.S. Program

All students are recommended to enroll into **KCC's CGS100** course titled **College Survival and Success,** a foundational course designed to equip you with the skills necessary for success in both online and college-level learning.

Steps to Enroll

Step 1: Express Interest
- Meet with your **high school counselor** or a **KCC advisor** to discuss your interest in taking courses through KCC.
- Review the **KCC Course Schedule** for the upcoming term and create a list of courses that interest you.
- Verify **prerequisites** for selected courses.
- Ensure selected courses align with your **high school graduation plan** and **post-secondary goals**

Step 2: Submit Required forms
- Complete the following forms:
  - KCC College Now/College Online High School Form
  - Student FERPA Release Form
- Submit both forms to **Tawni Ellis,** Accelerated Learning Coordinator
  - *tawni.ellis@klamathcc.edu*

Step 3: Admission and Enrollment at KCC
- Tawni Ellis will:
  - Confirm your eligibility and check for prerequisites.
  - Enroll you in the course(s) if prerequisites are met.
- If unfamiliar with **Canvas**, KCC's online learning platform, you will be enrolled in a **free Canvas training course (approx. 1 hour)**.
- Upon enrollment, you will receive:
  - **KCC Student ID**
  - **Login credentials** for MyKCC and Canvas
- Log into MyKCC to view your enrolled courses (available on the first day of the term).
- Refer to the **KCC Academic Calendar** for important dates (e.g., term start, drop/withdrawal deadlines).

Step 4: Placement Testing (If required)

- If not previously completed, you are required to complete **placement tests** for:
    - **Math** (online test provided by Tawni Ellis)
    - **Writing** (schedule via KCC Testing Center: 541-880-2334)
- Submit test results to Tawni Ellis:
    - Math results will be emailed to student and include recommended courses. Student would have a choice of enrollment into one of the recommended math courses provided.
    - Writing results will include a placement score (e.g., 230), which determines course eligibility.
- If you've already taken placement tests or college-level math/writing courses:
    - Submit **official test results** or **transcripts** to Tawni.

Step 5: Tuition & Textbooks

- Tuition: **$25.00 per credit** (plus applicable course fees if applicable to specific course plus cost of books materials if required).
- Purchase textbooks via the **KCC Bookstore Portal**:
    - *NC* = No-cost textbooks
    - *LC* = Low-cost textbooks
- Instructional video available on the portal.

Step 6: Register for Classes

- Work with **Tawni Ellis** to register for future approved courses.
- It is recommended to register through Tawni to ensure proper billing (many districts cover tuition when coordinated through school counselors).
- Confirm your schedule and course start dates.
- Regularly check your **KCC email** and **Canvas** for updates and instructor communication.

   Resources

- **KCC Accelerated Learning Website**: Visit Site
    - Navigate to **High School Students and Families** > **Student Resources** for key information.
