

Associate of Arts Transfer - English Literature (AAT)

Associate of Arts Transfer degrees (AATs) represent a streamlined path for students transferring from an Oregon community college to an Oregon university who know which major/bachelor's degree program they want to pursue. In contrast to other statewide transfer tools that prioritize university general education requirements (i.e. AAOT and ASOT), AATs specify clear course-taking paths necessary for on-track progress towards a specific major/bachelor's degree, with a guarantee of transfer from any Oregon community college to any Oregon public university.

The AAT degrees identify the optimal and specific set of community college courses students need to take to transfer efficiently into the major at the university. The successful completion of the AAT degree allows students to receive status at the public university, based on the number of academic credits referenced in the transfer agreement, including at least 30 credits of general education satisfied, that is comparable to the status of students with the same number of academic credits in the major course of study who began their postsecondary studies at the public university. The students will not be required to retake a course, as long as the minimum required grades have been earned.

All courses must be passed with a grade of "C-" or better. Students must have earned a cumulative grade point average of 2.0 and meet the residency requirements at the community college awarding the AAT.

When students complete an AAT degree, the general education courses listed here, for which minimum required grades have been earned, are guaranteed to transfer into general education, degree, or major requirements for a bachelor's degree at any Oregon public university.

Students who want to transfer prior to completing the AAT requirements should talk with their community college advisor and an advisor at their target university prior to transfer about how their courses will count towards general education requirements and degree/major requirements.

Students are responsible for informing the admissions counselor or intake advisor at their receiving four-year institution that they are completing an AAT. It is important for students to understand that completing the AAT in two years and the bachelor's degree in four years requires them to complete a minimum average of 15 credits per quarter (or 45 credits per year).

The guarantees and limitations below describe the minimum requirements to which all participating institutions have agreed. If an institution is not meeting the guarantees described below, a complaint can be filed with the Oregon Transfer Advisory Committee (OTAC).

It is recommended that student pursue these options:

1. Take courses that will apply to their minor of choice, that will transfer to the Oregon public university of their choice (work with an advisor)
2. Take courses that will apply to the general education or the major at the Oregon public university of their choice (work with an advisor)
3. Take electives to reach 90 credits, that will transfer to the Oregon public university of their choice (work with an advisor)

EXAMPLES OF ADDITIONAL GENERAL EDUCATION THAT WON'T RESULT IN EXCESS CREDIT (UNLESS NOTED) & TRANSFERS TO OREGON PUBLIC UNIVERSITIES

See an advisor for recommended courses

<i>Oral Communication</i>	<p>SPE 111 or equivalent¹</p> <p>¹transfers to all Oregon public universities and fulfills general education, or at PSU counts toward UNST placement (see footnote below)</p>	3 credits
<i>Arts and Letters</i>	<p>Philosophy²</p> <p>²this course counts as "Aesthetics and Humanities" (AEH) at EOU, which is fulfilled by other courses in the MTM, so this course would be unnecessary (excess) general education credit at EOU and would count as an elective</p> <p>**** At PSU counts toward UNST placement (see footnote below)</p>	3 credits
<i>Arts and Letters</i>	<p>Music or Theater Appreciation courses³</p> <p>³this course is not necessary for general education at EOU and would count as an elective unless it is a music or theater performance class</p> <p>*4-credits chosen from one of the following areas will satisfy the PSU 4- cr. Fine & Performing Arts requirement: Architecture, Art History, Art, Dance, Film, Fine & Performing Arts (FPA), Music Education, Music, Applied Music, and Theater Arts</p>	3 credits
<i>Social Science</i>	<p>United States History (citizenship, social responsibility, global awareness)⁴</p> <p>⁴transfers to all Oregon public universities and fulfills general education, or at PSU counts toward UNST placement (see footnote below)</p>	3 credits
<i>Science</i>	<p>Biological or Physical Science⁵</p> <p>⁵students must take a different science course than the one they took for the Core Transfer Map portion, this transfers to all Oregon public universities but the Science requirements are already filled for EOU and WOU so this could count as an elective and is unnecessary (excess) credit</p> <p>**** At PSU the Science requirements are also already satisfied, but these credits count toward UNST placement (see footnote below)</p>	4-5 credits

******University Studies (UNST) is the name of PSU's 4-year General Education Program which includes a 15-credit Freshman Inquiry (FRINQ) requirement and a 12-credit Sophomore Inquiry (SINQ) requirement:** Students transferring with 30 or more credits will satisfy the FRINQ requirement; students transferring with 30-59 transfer credits are required to complete 3 SINQ courses; with 60-74 credits are required to complete 2 SINQ courses; with 75-89 are required to complete 1 SINQ course. Students transferring with 90 or more credits will begin with a 12-credit Junior-level Cluster and complete the 6-credit Capstone requirement.
