

Klamath Community College

New High School Student Registration Form

High school students must complete the following steps to take classes at Klamath Community College.

1. Complete this form with required signatures from high school official and parent/guardian.
2. **If required** take a placement test prior to registration. Call (541) 880-2206 for a test appointment.
3. Make an appointment for an admissions interview with a Student Success Representative by calling (541) 882-3521. **The student's parent or legal guardian must attend this interview with the student.**

Note: High school students are expected to meet Klamath Community College's Satisfactory Academic Progress Standards.

Students are required to complete a KCC Admissions application and a registration form.

Tuition is \$25 per credit.
