Summer is the first term of the academic year. For purposes of receiving federal financial aid, attending summer term is optional. By doing so, your annual federal financial aid fund amounts will be automatically calculated and distributed equally through summer, fall, winter, and spring to ensure you do not run out of funds during the academic year.

Before submitting this form, please check-off that the following have been completed:

- I intend to register in classes for the summer 2021 quarter.
- I have submitted my 2021-2022 Free Application for Federal Student Aid (FAFSA) and have completed all document requirements.
- (If requesting loans) I am registered at least half-time (6 credit hours).
- (If requesting loans) I have completed my Master Promissory Note and attended Direct Loan Entrance Counseling at KCC (**Counseling cannot be completed before June 1<sup>st</sup>**).

Once this form has been processed by the Financial Aid Office, an Award Letter will be sent to the address on record. Before you are eligible for a financial aid disbursement, you will need to sign and return the Award Letter to our office.
